VOL. 1 NO. 3
APRIL 76

THE CANADIAN

BADGER

THE CANADIAN BADGER VOLUME I NO. 3. APRIL '76

Editor: #1756 Reni Barlow, 25 Cougar Court,Apt. 804,Scarborough, Ont.

Dear Badgers,

As I sit here at the typewriter, realizing that this is issue number three, (feels more like 23!) I recall the Swaporee in Barrie where the idea of a Canadian Chapter really took hold and became reality. We began with 16 members, now John has just phoned to say we've cleared the 50 mark. That's growth! But being realistic, many of those 50 are members of the international club who've joined us, and that's great, but one of the aims in forming the chapter was to introduce this hobby to the younger members of the Scouting community and do away with the idea that we are all a clique of "I need 6 for the world" collectors. In an effort to achieve this we've created a 'junior' membership at $1.00 for those up to 15 years old and have made provision for a group to belong at the $2.00 rate giving, say 15 Scouts the opportunity to write a letter a month or so and build up a good troop display. This will never happen though, unless we do a little work ourselves first. Make an effort to put on displays at hobby shows,district camps or offices and leave a few of our applications around. Mention the club name in local newsletters and, best of all, speak to boys who show an interest in badge swopping. Perhaps the greatest factor in the recent drop in Scouting membership has been the lack of member publicity, not posters, TV commercials or enticing brochures but boys telling other boys, leaders telling other adults, <u>thats</u> where publicity really begins. So pass it on, to the leaders <u>and</u> the boys 'cause if you can get them enthusiastic,look out!

IN THE WORKS.....

- The Chapter had a display at the Woodbine area hobby show in Toronto. Handouts were prepared outlining the history of the Woodbine badge and were very well received. (An idea for your show????).
- Work has begun on the October Swaporee with Camp Nemo in Hamilton as a tentative location. Hope to see you there.
- Fruit Belt district has requested a display for their conference on November 13, 1976. If you can help Bob Black in this effort please write him.
- A display is planned for the 28th Ontario Rover Moot at Camp Borden on 21st to 24th May, 1976. If you would like to help out, contact Reni Barlow.
- A display is planned for the Lakeland Regional Conference on May 8th in Whitby. If interested, contact John Glover.
- A letter has been sent to the CAN JAM '77 committee requesting a display there. If you are planning on going and would be willing to lend a hand please contact Reni Barlow.
- There is a possibility of a meeting this summer in the Vancouver area as Norman Paget will be out for the 6th ALTA Jamboree.

.....

Please send your wants lists for publication to Norman Paget, 12 Meadowland Ave., Barrie, Ont. L4N 2Y4, if you want them included. Please try to use the chapter catalogue when preparing them as it reduces confusion.

.....

On April 3rd, 1976 the first semi-annual meeting of the chapter was held at St. Pauls Anglican Church in Toronto. Those present at some point during the day were #'s 1756,1780,1772,1787,1755,700,1156, 1788,1771,1749, Robert Sheppard,Fred White, and #1819 who drove all the way from Ottawa! Swopping was of course,furious and many of those present had brought their displays and blankets. The meeting itself got underway about 1:00 with various topics being discussed including ethics (not ethnics Norm!) for the chapter and some publicity ideas. Concern was expressed over the fact that all the executive and the 'action' was in Ontario and that those in the West especially should have a say in the operation of the chapter. It was decided that while we would like to have a truly national chapter,the problems of communication and distance dictated that for a while anyway the executive remain in Ontario. A goal however was set to create a national executive at a meeting during CAN JAM '77 on PEI. Until then,though please feel free to contribute as much as you like as you non-Ontarians are just as much members as we are.

The following is the Canadian Chapter Code of Ethics,as of the outcome of this meeting, We wish to know your reaction,comments and suggestions, please forward these to #1771 Norm Paget.

CODE OF ETHICS

The aim of this chapter is to create an atmosphere which will foster and promote:

-the swopping of badges in the best spirit of Scouting.
-the introduction of younger members to this interesting hobby.
-assistance to fellow badgers in organizing and completing their collection.
-the trading of badges on a one for one basis.
-the obligation to apprise lesser experienced collectors of the relative rarity of any badge so that a mutually equitable trade can be made.
-the holding of meetings where enthusiasts can exchange information and swop in congenial surroundings.

It is a requisite of membership in the Canadian Chapter of the Badgers Club to subscribe to and abide by the aforementioned code of ethics.

*****CONGRATULATIONS*****

Congratulations are in order to two of our members; first to #1817 Brian Leathem who has been awarded the medal of merit for outstanding service to Scouting. Brian is a relatively new member to our club but has contributed a great deal in the way of ideas and suggestions. I would also like to thank Brian for his seemingly endless supply of application forms, at the right price which helps keep the costs down. Congratulations also to Robert Sheppard who has earned the Chief Scout's Award. Both will be presented their awards an April 20th at the GTR Recognition Night.

..... If you know of a member who has recieved a special award or honour, please pass it along.

----CHANGES----

In our continuing effort to provide the most up-to-date Canadian catalogue in existance we hereby present the following amendments to the catalogue.

B.C. Add EXT to C7. split into E4 and W5
to C16. defunct. partly absorbed by R2 and K7.
to H2. now part of C14.
to N6. Now part of R3.
Change H1 to read HI-TILLICUM DISTRICT again. The HL-TILLICUM PRINCETON,B.C. mentioned in the last issue is a group badge of identical design to the extinct distri t.
Change P2. to read POWELL RIVER B.C.

ALTA. Add EXT to G3.
H1.
K2.
L2. Now part of P2.
L5.
N5.

MAN. Add EXT to L3. Merged with R1. to Form P6.
N2. District defunct.
R1. Merged with L3. to form P6.
T7. Badge no longer used.

MORE CHANGES.....

ONT. CHANGE S11. to read ST. CATHARINES & DIST.

NS. Add D4. DARTMOUTH EAST

G1. GLACE BAY

I1. ISLE ROYALE

N1. NEW WATERFORD

S3. ST. MARGARETS BAY DISTRICT

********** SPECIAL FEATURE **********

This month we begin a special series of maps prepared by #948 Bob Mackenzie showing the locations of the Scouting districts and regions. This issue we feature Nova Scotia. I would like to thank Bob for the work he has put into these and I think they will be a valuable addition to either your catalogue or display. Once again Bob, Thank you for your contribution.

BACK ISSUESBACK ISSUES***

While Quantities last, back issues of THE CANADIAN BADGER, will be available from #1771 Norman Paget, for a low low price of .25¢ ea. Back issues will be available for a few months after publication.

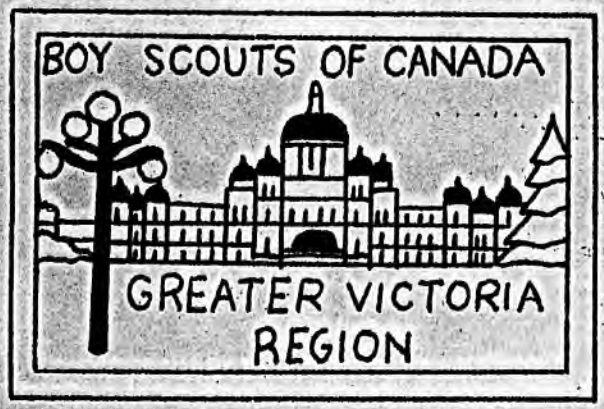
.....A BADGER SERVICE PROJECT.....

#1805 Dr. Wilbert Danner writes to say, "My group, the 80th University hill Scouts and Venturers in Vancouver embarked on a project last year to supply the Scouts of the Kingdom of Tonga in the South Pacific with a national emblem. I visited there in the spring of 1973 and found that the Scouts had to make their own national badge as their organization was too poor to have some made. We raised some money and borrowed some money and sent off a supply of badges to Tonga a year ago. I still have a few on hand which we are selling at $3.00 each with all the money going into the fund to help pay for the original badges. If any Canadian Badger wants one he can send me $3.00 plus a stamped self-addressed envelope. The badges are rectangular (3"X2½") and have a blue background and gold border. There is a green map of the main island and on top of the map in brown is the 'Trilithon'; a stone monument thought to be part of an ancient polynesian observatory and now a national park. Above this on a brown outlined scroll are the words 'TONGA SCOUTS' in white. The badges were made here in Canada and are the official badge of the Boy Scouts Of Tonga which is a branch of the British Boy Scouts Association. Not more than 14 of these badges are in the hands of people outside Tonga and of these one is at National HQ in Ottawa and one at World HQ in Geneva. The badge is illustrated on some of the Scout Stamps issued by Tonga in 1973 but the badges were made after the stamps and are slightly different". Congratulations from the chapter to Dr. Danner and the 80th Group for a most worthwhile project. Dr. Danner's address by the way is: Dr. Wilbert Danner,
Dept. of Geological Sciences,
University of B.C.,
Vancouver, B.C.
V6T 1W5



The Greater Victoria Region badge depicts the green copper roofs of the provincial parliament buildings and a blue-poled street lamp. These are two of the most famous sights seen and remembered by tourists who visit this beautiful city. G. Curry

The district badge for Owen Sound displays a gold sheaf of grain to represent the farming in the area, a blue anchor representing the shipping and harbour and finally a white arrowhead for the Newash Indian tribe of Cape Croker reserve.
B. Black

The badge of Glenmoore area in Toronto is another of those re-designed after the reorganization of GTR in 1970. The original badge was a shield on a navy blue back. The current badge shows a Bulldog representing the borough of East York, three circles, the logo of the Ontario Science Centre, Governor's bridge and the tower at Todmorden Mills. These are located at the geographic corners of the area.
R. Barlow

The badge of Mission district in B.C. highlights two important items from the area. The red building represents the Roman Catholic Monastery perched high atop the cliffs overlooking the town and the Fraser River some 60 miles inland from Vancouver. The blue car represents the many soap-box derby cars which go every year to compete in one of the world's largest soap-box derbies. G. Curry

****WANTS AND SWOPS LISTS****
