# EDITORIAL:

Dear Badgers,

I guess most of you were wondering what happened to the June issue. Well, due to numerous setbacks and I would have to say extenuating circumstances it was impossible for me to put it all together before now. I realize that because we are behind schedule it doesn't leave much time inbetween issues which is why I saw no need to set a deadline date for the September magazine. Since I would like to see Vol. 9, No. 3 out by early October, I would sincerely appreciate your efforts in forwarding me whatever you would like published in the magazine, as soon as possible.

Although I will be working in Montreal till October, as some of you know, I would like to point out that we have officially moved from Lindsay and all future correspondence should be mailed to me at the following address.

31 Northwood Crescent
Belleville, Ontario
K8N 1X6

Thank you for your patience and co-operation.

# *Words From The Chairman*

Dear Badgers,

It seems that every time we get close to getting back on track, something else comes up and plans go awry again. It's now September and this is the June issue of the magazine... not a situation we enjoy being in. Thank you for your patience; I hope you realize that the magazine **will** come out and that we would never simply fold up and disappear on you. As I'm sure you're aware, the people who look after the day-to-day affairs of the club are volunteers with other interests, commitments, and priorities. Most of the time they enjoy helping out **but** when it seems like only a handful of our roughly 350 members are contributing anything, the task can become extremely frustrating. **You can help!!!** Diane is always looking for short articles of interest to Scout badge collectors, John needs all the new badge info, and I am always interested to receive your comments, ideas, and suggestions. **Please make an effort to contribute** - it sure makes our jobs easier.

I want to thank Harold Dew for his speedy response to the **CJ '85 Souvenir Badge design contest.** Unfortunately, Harold's was the <u>only</u> entry received so we've decided to extend the contest to **October 15th** (See p.11 of Vol.9 No.1 for the details). So get designing and send your entry in A.S.A.P.

Once again we've been asked to help National Headquarters respond to some oversees enquiries for Canadian badges or contacts:

1) A 19 year-old Venture Scout looking for:

   b) a 1985 exchange visit

I hope that you have had an enjoyable summer; I wish you all the best until our next isue, hopefully in early-mid October.

## SOUVENIR BADGE DESIGN CONTEST

Scouts Canada has requested the assistance of the Badger's Club - Canadian Chapter members in designing a souvenir badge to be sold at the 6th Canadian Jamboree (C.J.'85) near Guelph, Ontario. Here's a golden opportunity to see your knowledge of badge design embroidered for 15 000 to admire:

How can you turn it down???

The badge can be virtually any size or configuration, and may contain any reasonable number of colours. Your design may include the official jamboree logo, however; this is not a requirement. It is hoped that this badge would appeal to both boys and leaders attending the jamboree, as well as to collectors. Some general guidelines to follow: The best badges are usually simple, well-balanced designs with attractive use of colour and a minimum of fine detail. Avoid clutter. (Chmn.note: The official logo ignores most of these guidelines!)

All designs must be received by OCT. 15 after which the Executive will meet to choose the top 5 which will be forwarded to National Scout Headquarters in Ottawa for their final decision. If one of the designs is selected, there would be some form of recognition for the designer. Get your groups working on it, pull out your markers, pencils, and crayons: You could be the proud designer of an official C.J.'85 souvenir badge!

Send your designs to: Reni Barlow, 761 Coxwell Ave. Toronto, Ont. M4C 3C5

# REGIONAL NEWS

Stan Rogers C0116
Quebec Regional Rep.

The two little words "THANK YOU" just do not seem to be appropriate for the way in which I wish to show my gratitude to each and every one of you who helped to make our Swap Meet and Auction the overwhelming success that it was. To those members who donated articles for the sale, to each of you who travelled long distances, to those who helped with the organization and to those who helped me on the day of the auction, each and everyone of you should stand up an take a bow because you really deserve my hearfelt "THANK YOU"

I must also thank Mrs. Batty for again providing the refreshments. A little different system was used this year and we had a small charge for the refreshments and the complete proceeds were put in for the Brotherhood Fund.

Now I come to the really good news. Despite a smaller crowd than in past yers we managed to surpass our goal of $375.00. Those who attended were the most enthusiastic bunch that we have ever had. It gives me the greatest of pleasure to tell you that we raised $435.90.

Each year we have increased our donation to the World Brotherhood Fund and that is truly wonderful. However if we wish to continue this good work we will need the help of all of you once again next year. Perhaps if we start now putting away the odd badge when The Auction comes along next year we will once again be able to increase our donation.

Thanks once again and how about starting to plan now to attend next years Swap Meet and Auction. Until the next time good luck to you all.

Yours in Brotherhood,

Stan

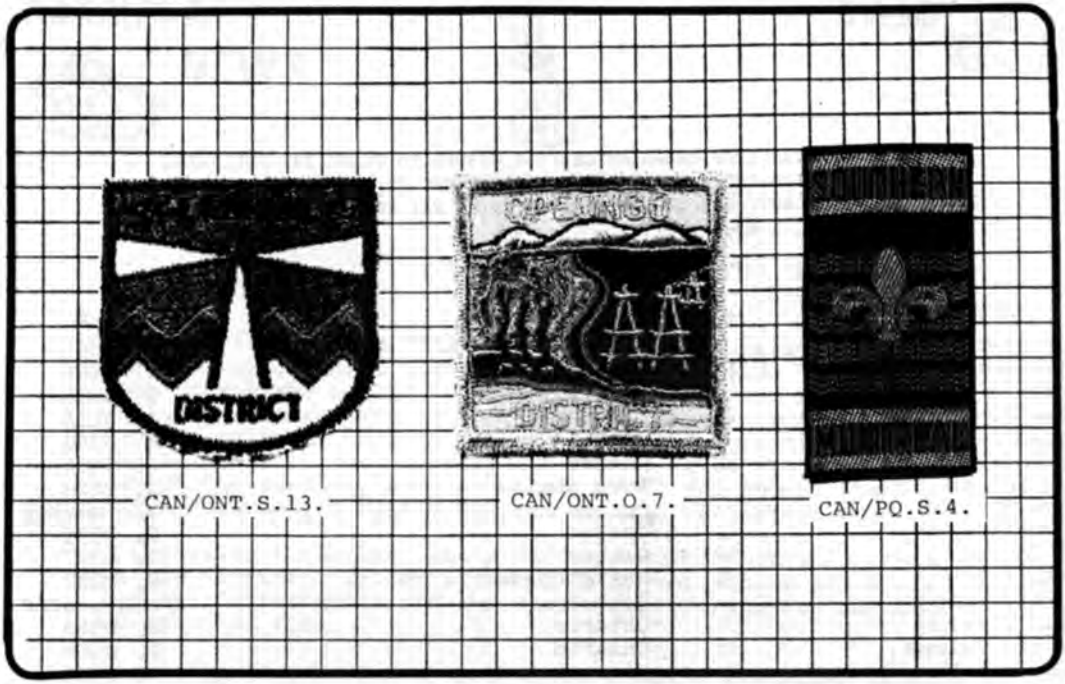
# DISTRICT HISTORIES



CAN/ONT.S.13. CAN/ONT.O.7. CAN/PQ.S.4.

CAN/ONT.S.13 The St. Lawrence District The St. Lawrence District in Ontario centres around Prescott along the St. Lawrence Seaway. The badge shows the lighthouse at Windmill Point, site of an historic battle.

CAN/ONT.O.7. Opeongo District The Opeongo District badge was designed by Mrs. Robert Gilchrist (Iris) wife of a former Cub Leader in 1962, in conjunction with Don Smith, District Commissioner at that time. Opeongo District is named after Opeongo Road, an early corduroy road that was used to open up Renfrew County to the early settlers. The river at the bottom is the Ottawa River at Castleford, and the road in the centre is Opeongo Road. The trees represent our lumber industry, towers for hydro development, the fields for farming. The three mountains in the background are Opeongo, Lake Clear, and Foymount, and the blue at the top is Lake Clear. The original badge is 7cm X 7cm, the present is 5cm X 5cm.

Can/P.Q.S.4. Southern Montreal Districe (silk) The five series of waves on the Southern Montreal District, Quebec badge represent: the Lachine Canal, the Montreal Waterworks Aqueduct, the St. Lawrence River, the Lachine Rapids, and the St. Lawrence Seaway. On a blue background, the Scout emblem and name bands are yellow with the stars and lettering in green.

# Swap Meet Reports

Badge Display at St. Lawrence Regional Conference

On Saturday, March 3, 1984 badgers Brian Gascoigne (C0052), John Zomer (C0392), and Rick Davies (C0611) combined portions of their collections to display Canadian district badges at the St. Lawrence Regional Conference held at Chimo School in Smiths Falls.

The display covered four sheets of plywood and attracted the attention of many of the 270 Scouters in attendance. Thanks to the other club members who helped out. Membership applications were available and, as always, trading was evident with new varieties being discovered and some valuable deals being transacted.

Great Lakes Regional Conference

Jim Humber put on a great display for the club at the Great Lakes Regional Conference on March 31st. Unfortunately few scouters there had any badges for trade so very little trading actually took place. However, it was a great P.R. effort and many favourable comments were heard.

Wooler Swap Meet

On Sunday afternoon of April 1st, a small group of badgers (10), gathered for an afternoon of swapping at the Wooler Scout Hall in Wooler, Ontario. There were representatives form as far away as Whitby and Chalk River. Although we were small in number a fair amount of badges were exchanged and by the end of the afternoon everyone felt that it had been a very worthwhile swop meet. The date of the next meet was set for Sunday, August 19, 1984 from 1:30 to 4 P.M.
