## EDITORIAL

BY

RENI BARLOW

SURPRISE! SURPRISE! Here we are again! I know that when many of you received the March/April issue about 3 weeks ago you probably figured that the club had finally died or that Barlow's promise of better service was worth about as much as a 'repro' camporee badge. Not so! While it is true that we have experienced quite a few difficulties lately, the club is far from dead and as for my promise well, here we are; 2 magazines within a month to catch up. Those who are keenly observant will have noticed that THE CANADIAN BADGER is no longer being published by Diane & Bill Kelly. Following a 7 week delay in the printing of the March/April issue it became necessary to examine the whole area of magazine production. Unfortunately, due to increased pressure on the Kelly's work and the search for a new address they have found it impossible to continue with the production of the magazine. I know that you share with me in expressing thanks to Bill and Diane for the incredible work they have done. Their contribution to the improvement of the magazine has been remarkable and they have set an excellent example for us to follow. We must however carry on and so, for this issue anyway, the multi-talented John Getgood has assumed the position of publisher. I am hopeful that by the next issue, that position will be transferred to Jim Humber who has kindly offered. In addition, it will be necessary to find another editor for the Sept/Oct. issue on. With the position of chairman as well as editor, I find that I do justice to neither in addition to neglecting many of my other commitments. If you would be willing to take on this position or are at least interested, please write or call and we can discuss it. I wish you all a great summer and look forward to meeting as many of you as possible. Until then, good Scouting and good shopping.

"THE CANADIAN CHAPTER OF THE BADGERS CLUB" is not a part of, nor is it connected with any Scouting organization. The AIM of this club and it's newsletter, "THE CANADIAN BADGER", is to foster and promote the fellowship of Scouting by providing an opportunity for the exchange of badges, information, histories and ideas.

# DISTRICT HISTORIES

## DISTRICT HISTORIES

CNT./O1 OAKVILLE DISTRICT, Oakville is situated in the centre of the "White Oak Counties" of Southern Ontario. It is a prominent industrial centre and one of its early industries was that of shipbuilding. On a green background the badge features a white lighthouse with green and yellow oak leaves underlined by the blue waters of Lake Ontario. The border is yellow.

B.C./C8 COWICHAN LAKE DISTRICT, The Cowichan Lake (British Columbia) Badge was designed by Scout David Hunter of the Ist. Youbou Troop. The badge depicts Lake Cowichan in blue on a brown valley floor. The mountains are green, the sky white and the border and writing red.

ALTA./B6 BUFFALO LAKE DISTRICT, The Buffalo Lake District in Alberta was a favourite buffalo hunting ground. The badge shows a buffalo in brown and the outline of a lake. The lake is blue and the name is brown on a yellow field.

SASK/B2 BLACK GOLD DISTRICT, The Black Gold District of Saskatchewan is located in and around the town of Estevan whose industries are oil, coal and power. The black background represents coal and oil and the gold spark Estevan. The name of the badge is printed in gold.

N.S./KI KINGS DISTRICT, Kings, N.S. District Badge takes its design from the outstanding features of the Annapolis Valley. The apple, crown and apple blossom indicate the apple is king in the valley, the open book represents Acadia University and the aircraft RCAF Station Greenwood.

MAN./S3 ST.VITAL, The St. Vital, Man. District Badge depicts the official coat of arms of the municipality of St. Vital. The beaver represents Manitoba, the fleur-de-lys the municipality's original French status, the cross Father Vital Grandin, the harp Ireland and the maple leaves Canada.

ONT./O2 ORIOLE DISTRICT, The Oriole Area in Toronto chose as its badge the bird from which it derives its name. The Baltimore Oriole, in black, orange and white, is shown standing on a brown twig.

# 3rd SASKATCHEWAN JAMBOREE

This jamboree was held at Little Red River Camp in Saskatchewan from July 5th to 13th in 1952. The camp was divided into 5 sub-camps for which the names were chosen from places vitally associated with Baden-Powell's life or with the history of the movement he founded. The 5 sub-camps were: BROWNSEA, the site of the first experimental scout camp; PAX, the Latin word for peace, taken from the Baden-Powell home in England, Pax Hill; KENYA, the land where B.P. spent much of his life and now lies buried; ARROWE, the site of the great Coming-of-Age Jamboree in 1929; and DISCOVERY, the ship used by Scott in his Antarctic explorations which in 1952 lied moored in the Thames serving as a

Sea Scout training ship and a hostel for overseas Scouts visiting London. Over 500 boys and leaders participated in the 3rd Saskatchewan provincial Jamboree and some came from B.C., New Brunswick, Manitoba and Ontario. During the jamboree the scouts had the opportunity to compete in Scouting competitions in the First Aid, the Knotting and Pioneering and the Orienteering and Field Day activities. Scouts against other scouts and patrols against patrols competed for the sub-camp Award Ribbons (Fig. 1) and the chance to qualify for the camp-wide finals.

1952	3rd Provincial Jamboree - Prince Albert, Saskatchewan	<b>MESSAGE RELAY</b>

This was a "Jamboree of Participation". Although there was no compulsion, every scout was encouraged to participate to the fullest in all the programme activities. That they did so, is clearly indicated by the fact that no boys received two awards in the camp competitions finals.

Fig. 1 - EVENT AWARDS

1st, 2nd, & 3rd place ribbons were awarded for the different events held.

Fig. 2 - Official badge

This is a silk-screened badge. It has a beige background with a green tree and stars. The outline of the scout symbol and the writing and date are all red.

# PROVINCIAL BADGE SETS...

The Canadian Chapter of the Badgers Club is now selling provincial badge sets. Each set contains the eleven badges pictured on the front cover of this magazine: the provincial badge for every province and the council badge for the North-West Territories. These sets make good swops at jamborees and were in high demand at CJ77. The selling price is \$3.75 per set plus postage and handling of 25¢ for every three or less sets. The sets are available from the catalogue keeper: John Getgood, #C0004, 280 Phillip Street, Box A236, Waterloo, Ontario. N2L 3X1. Please send your cheque or money order with your order.

## NEW BADGES -- YOU CAN HELP

If you will be attending any sort of Scouting gathering this summer, keep your eyes open! Whether it's a camp, get-together or jamboree, new badges are likely to appear. Of course the only way that we can let you know about all the latest issues is if you tell us. If you spot a new variety or badge, please send all the details and if possible, a photocopy to: John Getgood (address above). We may ask to borrow the badge for the magazine but there is no need to send us the badge to have it listed. The club is doing an excellent job of tracking down new badges, thanks to the many of you who keep us informed but we need all eyes working this summer. Watch for the new issues special in the July/August issue which you can expect to receive in the 3rd week of August. (Really!)

## LOTO \* BADGER

Here's a great way to beef up that dwindling swap box, expand your collection and have a little fun; here's how it works...

- 1) Send in up to 3 Canadian district badges (one of which must be your own) to LOTO BADGER c/o Peter Rydahl, 3343 Etude Drive, MISSISSAUGA, Ont. L4T 1T3.
- 2) For each badge sent, you'll receive one chance on the LOTO BADGER, drawn by Peter prior to the publication of the magazine. (If enough entries are received)
- 3) A list of the winners and the badges they have won will appear in the magazine. (Hopefully there will be a draw for the July/Aug. issue but only 3 entries have been received to date.) In the past, up to 50 badges have been won on one draw so it can be very rewarding as well!

SEND THOSE BADGES IN! MAYBE WE'LL HAVE A BIG WINNER FOR THE JULY/AUG. MAGAZINE!

## PLEASE NOTE:

In order to help speed up the production of the magazine (and consequently the time it takes to get it out to you) please make all ads 5" high and 4" wide. This is the same size as before but turned the other way around. As before, each member is entitled to one free space per magazine. Additional spaces cost \$2.00 each. For non-member ads or advertising running more than one issue please contact the editor.
