REGIONAL NEWS

"THE CANADIAN CHAPTER OF THE BADGERS CLUB" is not a part of, nor is connected with any Scouting organization. The AIM of this club and it's newsletter, "THE CANADIAN BADGER", is to foster and promote the fellowship of Scouting by providing an opportunity for the exchange of badges, information, histories and ideas.

EDITORIAL:

Dear Badgers,

First of all I would like to thank all of you for the warm welcome I received regarding the last issue Vol.6 No.1 and to say how glad I was to see the interest so many of you had in your club.

I would also like to thank all those who sent in articles and ideas for the magazine --- Keep them coming!, and to say that anything I receive for publication will be seriously considered. Now, don't despair if you don't find your article published immediately — all articles will be published eventually.

I would like to take this opportunity to wish everyone, heading for CJ'81 next month, a great time. I'm sure, with the large number of Badgers planning on attending from all over Canada, the U.S. and other parts of the world, that a super Club meeting should be a definite highlight of the jamboree. Unfortunately Bill and I will not be able to make it to the jamboree as previously planned, but you can be sure that there's no place we would rather be...

Again I would like to ask you to send all your questions and complaints to the Regional Reps in your area. Please send all your Wants Lists and articles etc. to be printed in the magazine to me:

OUR FRONT COVER

Our front cover is dedicated to all the Canadian Nat. Jamboree badges. These are depicted by the official Jamboree badges of the four past jamborees and the one to be held this summer in Kananaskis Country, Alberta, from July 1st to 10th.

Words from our Chairman

Dear Badgers,

As you read this, the level of activity in Kananaskis Country will be considerable as the advance party of staff work to prepare for the invasion of 20,000 Scouts, Venturers and Scouters. CJ '81 marks the second time the Badgers Club - Canadian Chapter will have participated in the national jamboree; the beginning of a tradition which I hope will carry on for many years. Those who were at CJ '77 in PEI will recall the tremendous popularity of our display and the number of compliments the Club received on the service we were providing. Not so long ago, the mere mention of the Badgers Club sparked thoughts of rip-off artists, fanatical traders and all manner of unScoutlike behavior. Although there are still a few people around whose impressions of the club refuse to be changed, the majority are responding to the tremendous amount of work which has gone into establishing the club as a worthwhile organization which believes in fair trading, collecting for fun, Scouting friendship and the encouragement of new and younger members in this hobby. The club however is only as good and worthwhile as its members. In other words, it is YOUR responsibility to maintain the good image of the club by keeping your trading practices completely beyond question. Always do your best to HELP younger traders, especially Scouts and Venturers. Sometimes they get so caught up in the trading fever that they give away valuable badges or become crazed 5 for 1 traders. If you make every attempt to demonstrate good trading, some of it is bound to rub off.

This issue includes a list of those members who told us they were going to CJ and where they can be found. I am hoping that we will be able to organize a club meeting (The first National???) at the display tent. Although it's not set for sure, Saturday July 4th in the evening seems like a good possibility. That's also CJ day - the day of the opening ceremony so there's no programme that day. I will try to put the announcement in the jamboree paper as well as on the notice board in Katimavik and in the display area.

Have a great, safe summer and I look forward to meeting many of you at the jamboree. Be sure to drop by Buffalo Subcamp HQ and say hello.

DISTRICT HISTORIES

ALTA W1 Wild Rose District This district is named for the abundance of the Provincial flower in the area and because the city of Camrose is known as "Rose City". The badge has a yellow Scout fleur-de-lys superimposed on a pink wild rose; a yellow border and the name of the district in white letters are set on a green background.

ALTA B3 Beaver Valley District This badge shows a brown beaver in the green valley and overhead, a red fleur-de-lys on a yellow sky. Dark green trim is used around the border. The district draws its name from the area it is in.

ALTA L4 Lethbridge This district badge is in red, yellow, green and black, symbolizes prominent features of the area: the CPR Viaduct Bridge across Old Man River, a sheaf of wheat - the main economic supporter of the area - and a coal miner's pick and helmet, recalling the mineral that prompted settlement of the area.

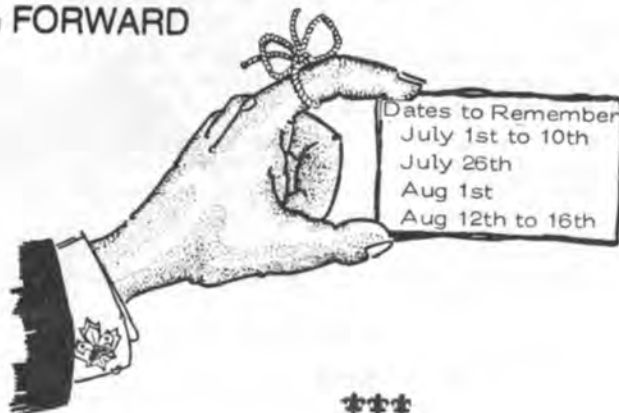

ALTA C4 Chinook District The district badge shows a chinook arch, the cloud formation that announces a chinook, and the Rocky Mountains in purple in the background. The main mountain is the Chief Mountain. There are green foothills and gold wheatfields in the foreground. The sky is blue with white clouds; the background is yellow. The district name and border are green.

ALTA S5 South Peace Alberta District This district badge depicts the Peace River by a blue band running from north to south. The background is the grey-brown of the earth. A yellow band across the bottom represents the wheat of the area. The white trumpeter swan which inhabits the Grand Prairie area, is shown. The badge is bordered in black and the lettering is green.

ALTA B6 Buffalo Lake District The Buffalo Lake District in Alberta was a favourite buffalo hunting ground. The badge shows a buffalo in brown and the outline of a lake. The lake is blue and the name is brown on a yellow field.

SEMI-ANNUAL MEETING
TORONTO CHAPTER
APRIL 26th, 1981

On a bright sunny Sunday, when many of us should have been home working in the garden or cutting grass, some 30 badgers assembled in the Saint Simmon's Parish hall in Highland Creek for our spring meeting. All in all, a reasonable turnout with feverish swapping going on -- espec-

ially with the more youthful members in attendance.

The business portion of the meeting got underway at 2:00 pm and the first order of business was drawing the names of the winners for the district badges that each attendee donated as the price of admission. The winners were Adam Letho, Lynn Ellis and Robert Lewis.

The Treasurer reported that the net income for 1980 was \$642.52 and that the current active membership stood at 252 members.

Rene Barlow reported that the Club will have an exhibit at CJ 81 which will display all Canadian District badges, including many of the variations that have occurred over the years, courtesy of Bill Neil and the Jamboree Crest collection of Bill Kelly. These will be housed in two 20 X 30 marquee tents -- luxurious accomodation compared to CJ 77. And speaking of CJ 77, it was reported that the Badger display was the THIRD most popular area at the Jamboree -- Tandy crafts was first and Canada Fitness second. Bill Neil can still use some assistance in staffing the display at CJ 81. Anyone looking for a job? Give Bill a holler.

The Badger Book of Canadian District badges, on sale in some regional Scout offices (Toronto, Windsor, Waterloo and Saskatoon) has been well received and while selling somewhat less than briskly, nonetheless selling. Any member who has not yet acquired this valuable item can obtain same through John Getgood directly without having to pay the markup price that the book sells for in Scout shops.

Comments such as 'good layout, informative and professional' were some of the adjectives used to describe the members reaction to the latest edition of the Badger magazine. In short, Diane, keep up the good work. We appreciate the effort that you obviously are putting into it.

Jack Strachan reported on two P R activities that the local chapter was involved in: April 11th, Owasco annual Hobby Show and April 25th, Lakeland Region Conference in Barrie. In both instances, the collections on display received a lot of attention and provided the opportunity to cultivate new membership.

It was mentioned that GTR would be holding a Scouting In Action event in 1982, and while details were rather sketchy, it was felt that the Badgers should approach the organizers regarding a display.

It was suggested by Ed Lattimore that the Club consider holding a joint meeting in the fall with the Maple Leaf chapter on Scout Stamp collecting. Some of their members are interested in badges too and it may be that some of ours might become hooked (philatelically speaking).

The fall meeting will probably be held here again, the latter part of October or the first Sunday in November. Details and maps will be provided in a later magazine issue.

LOTO BADGER

Again this month we have the Loto Badger draw. We received a suggestion from member Eugene Martin about having a more detailed description of the draw.

The Loto Badger is a draw in which each badge you send in equals one entry and you can send up to a maximum of three badges for three entries. After about three weeks of receiving entries since the magazine came out, Rob, Gary and myself put the entries in a hat and draw a winner. The winner is notified and the entire pot of badges received through entries is sent to that person. Any late entries are then automatically put into the next draw. Also the winner will be announced in the preceeding Magazine.

I would also like to thank Eugene Martin for his other article suggestions which will be used in the future. Does any body have any other suggestions as we could use all we can get.

The winner of this month's Loto Badger was Mike Doyle (C0454). Mike picked up a prize in excess of 20 badges....way to go Mike. Participation was not bad, but we had hoped for a few more entries. So, with the Jamboree coming up couldn't you use a few more badges to swop. Enter your name in Loto Badger ! You may be the new lucky winner !

Yours in Scouting

Are You Ready for CJ'81 ??

Hints for Swopping at C.J.'81
By: Briam Leathern

One of the many enjoyable activities of a jamboree is exchanging a badge or pin with a new friend who hails from across the province, across the country or around the world ! Many boys and leaders will take the opportunity provided by CJ'81 to trade district badges to add to their campfire blankets, to remember someone who shared a great experience with them, or just for the fun of collecting. Swopping will be fun for everyone if we all keep a few simple guidelines in mind.

One of the most important things to remember is the need to plan ahead. Although swopping is a part of every jamboree, some boys are disappointed each time. Because they brought nothing to trade. Now is the time to lay in a supply of district badges. Don't neglect other tradeable items either; many provinces, regions, towns and cities have pins, flags, pennants, stickers etc. available through your tourist office, Chamber of Commerce, or City Hall. Although these are usually traded for similar items, rather than district badges, they are always in demand. Camp and event crests are often traded as well but are sometimes rather expensive unless you're the guy that got stuck with the extra 87 Camporee crests this year !

Swopping at the Jamboree should take place when it won't interfere with planned program activities. As a general rule badges are swopped on a 1 to 1 basis without regard for the size, number of colours, or place of origin. There are of course exceptions to this rule, where one of the badges is particularly expensive. A satisfactory agreement is then reached, usually 2:1, 3:1, or 3:2. Contrary to what some people's beliefs, badges from other countries are not really more valuable than your own district badge. Some are hard to get, some are expensive (especially U.S. "shoulder patches"), while many are of the cheaper silk embroidered variety. Usually foreign badges trade 1:1 with a maximum of 3:1.

Unfortunately there are a few leaders and boys who will try to take advantage of the trust and goodwill which are a part of the Jamboree spirit. Be on the lookout for phrases like: "really Rare", "only a few made", "I don't like to part with it", and "Means an awful lot to me". Beware of the high pressure types - remember you don't have to say yes! Don't agree to trade or shake hands unless you are satisfied and happy. There are 15000 other guys to swap with.

When in doubt the best thing is to get some advice—at the Badgers Club display area, where you will find a complete set of Canadian district badges and Scouts, Ventures and Scouters for whom badge collecting is an enjoyable hobby. They will be glad to answer your questions and discuss your collection with you. While it is impossible to police the many thousands of people who will be trading at CJ'81, the Club is willing to help in settling disputes involving trading.

Are You Ready for CJ'81 ??

Parts of the Scout uniform should not be regarded as trading items nor should any badge be removed from the uniform for swapping. Our uniforms must remain complete for the Jamboree and the trip home. We are proud to represent our province and our community at CJ'81. We'll show this by keeping our uniforms looking sharp and complete.

Apart from the official Jamboree Trading Post etc., badges, crests and similar items shouldn't be sold on the site. Swapping is far more rewarding anyway.

THE CANADIAN BADGE BOOK

In order to promote sales of the Canadian Badge Book we have lowered the retail price of the book to \$5.95. This is the price we hope to have it available at through selected Scout Shops. This will not bring much profit to the club, but will keep the book at a reasonable price. The cost to members is now lowered to \$5.50, to keep it below the retail price. All members that bought a book at the old price will be given a 50¢ credit. This can be used towards your next renewal or for the purchase of club items.

15th ROVER WEE MOOT

Dear Friends,

Start making plans now to attend the 15th Rover Wee Moot, hosted by the ever-popular Baden Powell Rover Crew of Glasgow, Kentucky. This year's moot will once again be held at Camp Rotary, near Glasgow, on the bluffs high above scenic Skaggs Creek. The dates are the 12th to the 16th of August.

It's open to any Scout, Explorer, Rover, or Venturer, 16 or older. Please bring your own tents, cook gear, etc.

As usual, it will be a full week. There will be the Highland Games, (both wet and dry); the night ramble, tours of Cryslerland and Mammoth Cave, the perennial fish fry, and Jim Simmons' justly famous Chicken Bar-B-Que.

This year will be the THIRTIETH ANNIVERSARY for the B-P crew. To celebrate, we are expanding our activities to include a pre-moot, starting the Sunday before the moot, with a number of activities to choose from. There will be an overnight canoe trip down the scenic Green River. We have canoes for 12 on a first-come first-served basis, or you may bring your own. There will be a trip to Mammoth Cave's WILD CAVE TOUR, with much strenuous hiking and crawling through the world's largest cave. Other possible events and sight-seeing tours may be available.

For further information, write; 15th Rover Wee Moot, Baden-Powell Rover Crew, c/o Jim Simmons, 707 Cleveland Ave., Glasgow, Ky. 42141. Please let us know if you are interested in the pre-moot information as well, and we will send you both information sheets.

Yours in Rovering,

The Baden-Powell Crew

REGIONAL NEWS

On the 29th. of March the Quebec group held their annual Swap Meet and Chinese Auction. To say that a good time was had by all would be an understatement. With more than sixty-five people in attendance there was plenty of swapping going on and also many new contacts for some of those rarer badges.

Reni (Crazy Legs) Barlow and Honest John Getgood along with Todd Gottschalk and Adam Lehto all from the Toronto and Waterloo areas were down for the meet as well as Kiwi Kuper and Roger Lythall from the National Capital Region. Thanks for making the trip folks and we hope that it was worth your effort.

During the afternoon we were visited by Mr. Ralph Ross the Provincial Commissioner for the Province of Quebec. Mr. Ross stated that he was very pleased that we had decided to donate the profits from our auction to the Scout Brotherhood Fund. We thank Mr. Ross for taking time from a very busy schedule to attend this event.

We were also pleased to have with us Mr. Dave Michaud D.C. for the Stoney Pointe District and Mr. Wally Howard A.D.C. for the Montreal Western District. Thank you gentlemen for supporting our event and adding to the success that it was.

Our auction which was held at three o'clock was eagerly awaited by everyone. The bidding was fast and furious. I am pleased to report that \$130.00 has been donated to the Scout Brotherhood Fund in the name of the Canadian Chapter of The Badgers Club. This amount was made possible through the generosity of those members who donated badges for the auction. To those of you who donated badges I thank you.

Our refreshment table was a popular place and kept Mrs. Batty on her toes for the afternoon. The group thanks her for her efforts.

To be sure that I have not forgotten anyone I would just like to add "THANK YOU TO EVERYONE FOR A JOB WELL DONE"

For those of you who were in attendance we would like your opinions on what can be done to improve our meetings. If you have any ideas, how about jotting them down and sending them to me. Remember these are your meetings and what you think counts.

For those of you who were not able to be with us remember that it is never too early to start planning. Our next meeting will be held on the last Sunday in March 1982.

Until next time may your collections grow.

In recent news, Harbour West district has issued a new district badge. Harbour West district is a part of Halifax Region. The badge depicts the Sambro Lighthouse which is the oldest and brightest lighthouse on the east coast.

For all you Badger Club members down east, I am planning a Swop Session on Sunday, October 11th, 1981, at 10am at Keddy's Motor Inn, 437 Prince Street, Turo, Nova Scotia. Come one, come all. If you are considering to attend please drop me a line and let me know so I can expect you.

I know this is Thanksgiving weekend but since there will be a few Nova Scotia Scouters attending the N.S. Scouters Conference that weekend who are Badgers I figured this would be a good chance to get together. I picked Sunday so those from New Brunswick, Prince Edward Island, Newfoundland and other parts of Nova Scotia would have more travelling time.

Please don't forget to let me know if your planning on attending !

I would like to introduce myself as the new Ontario Regional Rep. If you are having any problems, or have any questions, suggestions or announcements, please drop me a line and let me know. If I don't hear from you before CJ'81, I'll look forward to seeing you there. I'll be on staff at the Badger's Club display tent.

Bill Neil C0080

Dear Badgers,

First of all I want to say "THANK YOU" to Diane for taking on the chore (or priviledge) which ever you wish to call it as Editor of our Canadian Chapter Magazine. I know from past experiences that her superb editing will once again bring a guiding light to our many members.

At this time I will apologise as the Prairie Representative for not having a report in for what may be called the new look or spring edition of the magazine, but with the uncertainty of a date of when it would be published I could see no reason to type a write-up only to see it four to six months later.

REGIONAL NEWS

I would also like to say that I am very disappointed with two members in their ads in regards to the new badge issue of CAN/ONT. N13 and the seven Area strips, one asks for 6 District badges in exchange for the set, the other asks for 8 District badges for the set. I guess maybe I have been very fortunate in, that the people I have swapped with, informed me that the Area strips can be purchased for .20¢ each and in two cases have offered to purchase for me any number I so desire, at the present time I have purchased over 20 sets and people who have received them from me will vouch for the fact that I have offered them on a two for one badge basis, (2 strips for one badge).

It has been mentioned in past issues about printing the addresses of Scout Shops that handle District badges and the price list of them. On a separate sheet I will get this ball rolling with the two Saskatchewan Scout Shops, their addresses the badges they handle and the price per badge. (ref. pg.6)

Just recently I found out I have been guilty of supplying the magazine with some wrong information regarding a new SASK. District badge, namely and coded CAN/SASK. U1 URANIUM CITY. I must now apologize for my mistake, as I did not do my homework on this matter and received my information from a new leader, who incidently is not a badge collector. Anyone I have sent this badge to, if they wish to return it, I will replace it with the official District badge "Lake Athabaska District" badge. The Uranium City badge is a Group badge within the Lake Athabaska District.

At this time I would like to explain that with the political overtones between Saskatchewan and Alberta, the mining company which is located in Uranium City (no names mentioned), was told by the Saskatchewan government to locate it's offices in Saskatchewan if it wished to continue operating. It has since done so and as a result our North Saskatchewan Region now services Scouting in that part of the Far North. I can not tell you if the communities on the Alberta side are serviced by Alberta or not, but our N. Sask. Region Scout shop handles the new size badge for Lake Athabaska District.

Now that I have done my beefing and apologizing, I would like you to add my name to those attending CJ'81 and look forward to meeting those others attending, whither it be to swop a badge or to sit and chat awhile, please drop in to the Club Display.
