Hello Fellow Badgers

From the 'Prez'.....

Here it is August and, oddly, I have not been to a jamboree this summer! However, those that attended the four jamborees, Alberta, Nova Scotia, A.S.C. & CCJAM '05, are giving great feed back and there will now be new badges to be on the hunt for.

Coming up will be the B.C. Lower Mainland Swap Meet, held in the middle of August. This year as last, it is hosted in a great outdoor setting by Bill and Jean Neil at their daughter's house in Langley. It is the once a year session of badge trading and story telling and great pot luck food and most of the active collectors try to make it.

Also here in B.C., the one and only scout shop manager tells me the only new badge is the latest Kamloops issue and she does not expect any new ones for awhile. I gather that the powers that who make all of these decisions are happy with all the changes in B.C. and plan nothing new.

On behalf of all badgers, I would like to thank the members, Peter Waycik, Steve Kavanagh, Brendan Spafford, and Colleen Looby for their time and effort as a website committee in putting together a report of recommendations for our new website. Now, a plug for Peter Waycik's own project that he has been developing. "Canadian Badges Trading Forum Index". Unlike some of the other sites that I have looked at, this is forum put together by a Canadian badge collector for us as Canadian collectors! Just go to www.Canbadge.com click on "badge forum" and you are there. Try it, you'll like it! The Prez does....

CCJAM '05 Report

The badge display was staffed by Ed Ermel, assisted by Rick Davies, Nick Ebner, Ken Moodie, and Doug Rudolph. After the initial gremlins, in both infrastructure and program, we adapted and, with near excellent weather, we had a great Jamboree experience, which included many satisfying trades. I was aware of 1 Jamboree, 1 Subcamp, 6 Daily (Set), 2 Service, 1 Entertainment, 2 Display and 13 Contingent badges and 3 Contingent Pins.

CCJAM '05 Badge - 1 to Participants and O.O.S. On Friday night 75 of 260 O.O.S. could buy 1 more. I have a limited number to trade.

Subcamp Batoche (Venturers) (Only Subcamp Badge) - 1 to Subcamp Batoche Participants and O.O.S. Some were sold later. I have a limited number to trade.

6 One Day Badges (Set) - for sale in the Trading Post. I have some to trade.

No Jamboree or Subcamp badges were for sale in the Trading Post.

See you next time.

Ed Ermel

Left: The Scout badge of Saskatchewan's Buffalo District—named for the great herds of buffalo which once roamed the area—depicts a brown buffalo and green fleur-de-lys on a yellow shield trimmed with green. The background of the badge is brown.

Middle: The lighthouse shown on the Yarmouth, Nova Scotia District Badge is a familiar landmark, while the two main industries of the area—fishing and lumbering—are represented by the fish and spruce. In the background, is a "Bluenose" ship. The badge is maroon, blue, green, on a yellow background.

Right: The varied attractions of the St. Catharines, Ont. District are shown on its Scout badge, along with the "torch of Scouting in Canada" (upper left). On the badge, which is in two shades of green, as well as yellow, red and white, are: a sculling ship (annual Henley Regatta); grapes (fruit industry); factory smokestacks; a freighter on the Welland Ship Canal.

Report of the Canadian Badgers Club Website Committee

August 2005

As recorded in the minutes of the April 2005 General Meeting of the Canadian Badgers Club, the club website administered by Jim Carter would be discontinued and replaced with a new website. A committee of four people with ex officio members consisting of the club president, registrar, and cataloguer was established to explore the creation of a new website. Following are the recommendations of the committee. Some of these recommendations have already been implemented for testing purposes.

Website Address: The Canadian Badgers Club website address can be <http://badgers.canbadge.com>. It was felt that purchasing webserver space and an Internet address was unnecessary for two reasons: the Canadian Badgers Club website requires little space, and the Canbadge.Com website had excess space and bandwidth to donate. The address is simple and easy to remember.

Images: Inclusion of images on the Canadian Badgers Club website would only duplicate efforts on the Canbadge.Com website.

Club Information: Documents pertaining to the club can be hosted on the website in pdf and/or html format.

Bulletin Board: Inclusion of a bulletin board (forum) would only duplicate the efforts on Canbadge.Com. However, a private forum can be available to Canadian Badgers Club members for club-specific information and to announce catalogue uploads and related access information. This private bulletin board can be included in the Canbadge.Com forums webpage.

Catalogue Downloads: Catalogue downloads can be available from the website using a username and password that is only available in a private forum (Canadian Badgers Club members only) on the Canbadge.Com website. Members are added to the private forum manually, so that the individual's membership can be verified before allowing them access. An additional level of security can be to password-protect the archive (zip file) using a password only available in the current magazine. Updates to the Varieties Catalogue can be available in the same manner. It was felt that updates would be preferred over revised catalogues as previously downloaded catalogues will probably be personalized (e.g. by deleting/highlighting/markings/adding space). Updates can be copied and pasted easier than personalizing the complete catalogue again.

A Note About Copyright: We rely on the integrity of members not to distribute copies of the catalogue to others. An electronic version makes it easier to distribute the catalogue to members, but it also allows members an easier task of "sharing" it. All those who download the electronic catalogue can be explicitly reminded of the copyright by first agreeing to terms of use (e.g. will not copy or distribute except for own use, etc.). This can be done before members are given access to the private forum on Canbadge.Com.

The Canadian Badger Electronic Edition: This is not possible at this time as the magazine is not entirely created in electronic format.

Other Items: A few other items were suggested by committee members, but were not part of the website committee's mandate according to the minutes of the April 2005 general meeting. First, it was suggested that online badge swaps be held using the facilities of a "chat room." This can be done by Canbadge.Com. Second, it was suggested that we link badge histories and images. This would require a lot of badge histories! For now, the searchable badge histories forum on Canbadge will remain the sole implementation of this idea. Third, it was suggested to add a glossary of terms to the website. This just needs an author! Fourth, and last, it was suggested we have ongoing challenges/games on the website (like a treasure hunt, or identification challenges). This is easy to implement. It would require some prizes to be available.

If you have any questions or comments regarding the club website, please contact Peter Waycik, Box 225, EAR FALLS ON P0V 1T0, (807) 222-3452, waycik@gmail.com.

VANCOUVER SWAP MEET
20th August 2005-09-27

It was my good fortune that our holiday to Canada coincided with the date of the meet, and was in fact the day after we arrived. After an adventure by Skytrain and Bus we arrived late at Langley Bus Depot where we were collected by 'Badger Bill' to be taken to the swap venue. By the time we arrived swapping was in full swing in the back garden on what was a lovely sunny day, and a space was quickly found for me.

The welcome my wife and I received made a wonderful start to what turned out to be a great holiday. I managed to swap with a few people, and during the course of the day added over a 100 badges to my collection. However the time passed all too quickly, and was unable to talk or swap with everyone who was there, so if any members would like to swap, please get in touch and we will see what we can do. I do hope that at a future date I will be able to attend another meet.

So Thank You to one and all for the warm welcome, a not to be forgotten visit, and a special Thanks to Bill and Jean Neil for their hospitality.

Derek Wilson C1148

Gentlemen,

It is my sad duty to inform you that our friend and fellow badger Scott Weaver passed away very suddenly Thursday evening at the Hamilton General Hospital.

It was very sudden, he was not feeling well in the morning and went to his doctor, then at the General he had some tests, then 6 hours of surgery to repair his heart but he was not able to come out of it.

Its hard to believe this time last week we were all breaking camp at CCJam and packing for the drive home. We will certainly miss our very dear friend.

Yours in scouting and friendship Tom

WEAVER, Scott - Suddenly at Hamilton General Hospital, in his 49th year, on Thursday, July 14, 2005. Beloved husband of Wendy Weaver. Much loved father of Ana and Maria. Brother to James "Tony", Earl, Richard and Cat Pottruff, Donald and Janet Pottruff and Ross and Christie. Son of Ron and Carol Weaver of Brantford, son-in-law of Bob and Mary Young of Dundas, brother-in-law to Rob (Alison) and Terry (Teresa) Young. Predeceased by his mother Caroline (nee Roberts). Scott was a longtime member of Scouts Canada, Landscape Ontario, coach of Ancaster Youth Soccer, Christ Church Choir, a longtime employee of City of Hamilton Beautification and a founding member of Guatemala Gems. Uncle to several nieces and nephews. Scott will be missed by his many aunts and uncles. Friends may call at the MARLATT FUNERAL HOME & CREMATION CENTRE, 195 King Street West, Dundas on Sunday, July 17 from 7-9 p.m. and Monday from 2-4 and 7-9 p.m. Funeral Service to be held at Christ Church in Flamborough on Highway #8 on Tuesday, July 19th at 11 a.m. with interment to follow in the church cemetery. Donations to the Heart and Stroke Foundation or to a charity of your choice would be appreciated.

Love you, Daddy

SCOTIAJAMB 05 BADGERS CLUB DISPLAY REPORT:

A 6 member Badger Display Team consisting of Dave Winter (Team Leader), Tanya Connors, Don Connors, Don MacDonald, Serge Janelle and Camille Harrison conducted a very successful Badge Display / Trading Area at Nova Scotia's SCOTIAJAMB 05 in Cape Breton. Ralph Williams had to drop off the team late on but was replaced with Tanya Connors, one of our newest Club members. We pre-ordered red fleece vests with embroidered Jamboree Logo from Zone West and were not charged extra for the additional embroidery such as "Badgers Display" beneath the logo and "Badger (our 1st name)" on the opposite side.

We were supplied with a new 10' x 20' garage tent for displays, a double enclosed lockable Skidoo Trailer for security at night and 4 picnic tables for trading. Having no lights, we were open each day from 9:00 a.m. to 9:00 p.m. with 2 members on the morning shift, 2 members on an afternoon shift and 2 members on the evening shift. That way, everyone had a chance to visit ALL the Jamboree, do some off site sight-seeing OR like me, just stay and trade badges. Later in the week we obtained a generator and a string of lights for "trading purposes only" of course.

We conducted a day long Scavenger Hunt on Monday, Tuesday and Wednesday whereby visitors had to look at our tent badge display and answer 12 skill testing questions. The following day we drew for a correct answering winner who received a package of 75 assorted crests. A Brotherhood Badge Board was also set up whereby participants paid \$1.00, placed a badge / crest on the board with the winner receiving all badges / crests raised \$86.20. There were at least 3 other B B B's at the Jamboree that we were aware of, raising a total of \$4,000.00 for the Brotherhood Fund. Copying after Bill Neil, many times during trading we held Crest Scrambles for the youth with donated badges and crests from "Friends of Scouting."

Several youth were always at the picnic tables trading each morning as we arrived to set up our display, during lunch break but the crowds were always in the evening, continuing well after our display closed. Mid mornings and mid afternoons were slow as the participants were all mostly off on projects.

We also had several inquires from interested participants about joining the Badgers Club.

MANY THANKS to the following:

John Butters (Camp Chief) and Ian MacCaldar (Assistant Chief - Sites) for their support in helping make this display a huge success. It helped having other Badgers in "high places" during the Jamboree.

Tanya and Don Connors for arranging for the scavenger hunt lists and ballots.

Tim Green for the generator and gas.

12th B. - P. Guild, Halifax, for many of the scramble crests.

Zone West for the free extra embroidery on our vests.

Camille Harrison and Serge Janelle for their excellent French translations.

Don MacDonald for his truck and a trailer to "relocate" picnic tables.

All who loaned badges, crests and Scouting memorabilia for the display.

AND especially my 5 team members, Don, Tanya, Donnie, Camille and Serge who without their help, support and spirit of cooperation we couldn't have successfully pulled it off.

Respectively Submitted

Banana, banana, banana!

You know how at every jamboree there is one badge that everyone has to have? At the BC/YUKON JAMBOREE in 1995, John and Ray had a whole box full of miscellaneous scout badges to trade/give away, events, camps, groups, etc. What turned out to be the hottest item was this BANANA BADGE. A Scout & Venturer Rawndayvu 91 badge shaped like a yellow banana! After a few days everybody wanted/had to have one, but of course there was only a few to start with, maybe 20, and once they were gone they were gone. By mid week as you all know, the fever had fully hit, youth would and were trading anything and everything for a BANANA. We serious badgers just sat back, shook our heads and wondered...

Well, here it is 2005, ten years later and in a small bag of badges, Voila! a BANANA. It still has no more collectable value today then it did then, but for a few days in 1995, it was a hot must have. You know, it brought a smile to my face when I saw it and I think I'll keep it, maybe frame it, put it in my collection; all good things come to he who waits!
