

# THE CANADIAN BADGER

## EDITORIAL

Dear Fellow Badgers

March 7, 2011

I joined the Canadian Badgers Club in 1979. I have been the editor of "The Canadian Badger" since 1987. When I took over as editor the magazine was many issues behind in production. Over the next year I caught the magazine up to date to where it should have been. I try to get the magazine out on time but sometimes that is a challenge as I have to wait for other members to send me the material to put in the magazine. As always I will produce the magazine in what ever format the Club decides. If the club decides to produce an electronic version online that is what I will do.

After John Ochitwa Passed away in 2002, who was Secretary/treasurer at the time I took over as the Secretary/Treasurer until the next General meeting in 2005. I would like to again take on this roll.

My name stands for both the Magazine Editor and the Secretary/Treasurer positions.

DEADLINE DATE FOR  
THE NEXT ISSUE  
May 24, 2011

Hello Fellow Badgers

From the "Prez"...

April will see our general meeting being held in conjunction with the Montreal Auction and Swap meet. Denis and I have set the meeting for Saturday April 30<sup>th</sup> at 11:00 AM.

Preparation for the meeting is well under way; please find in this issue a tentative agenda. Now is the time to contact me if you want something added. Saturday morning of the meeting is too late. There is also a slate of candidates for election. It is not too late if you want to stand for election within the club but remember we don't accept nominations from the floor meeting day, so do it now. We have a certain amount of business which has to be handled but it should not cut into our swapping time too much.

A gentle, but not so subtle, reminder to members of the executive; you are required to make a report and let the members of the club know how things are.

In Scouting,

Frank D. Smith.

## BADGE HISTORY

### Algonquinte Area

A Committee was formed to choose a badge name. Submissions were asked for from the Area. The Committee narrowed it down from dozens to a few then selected one. When it went to the Area Forum for approval it was soundly rejected.

They were looking for a name that reflected the area covered. From Algonquin

Park in the North to the Bay of Quinte & Lake Ontario in the South. From Napanee in the East to Colborne in the West. The area encompassed all or part of 7 old districts which was slightly over half the old Quinte Region. Lakes, Rivers, Bays, Forest, Stream, Highlands, Lowlands, Trees & Animals, Rock & Farmland.

After much debate someone suggested combining the 2 most favoured suggestions into one name. Even though many people had trouble deciding how to pronounce it; the name was accepted. Algonquinte.

The next step for the committee was a design contest open to all registered members. Again the committee narrowed it down to the favoured 3 designs and took it to the Area forum. It was quickly narrowed down to 2; but they were running neck and neck. It was suggested that the best parts of both be combined into one badge. When this was done the Algonquinte badge was born.

Note: One of the 2 selected designs was done by one of our own members Mark Adams C0983.

Everett Dalmas  
Ont. East Club Rep.

An open letter to the Canadian Badger's Club Membership;

My name is Anthony Palmer and I joined the Canadian Badger's Club in 1988 as a Scout. During the last twenty-three years, I have been fortunate enough to have met many terrific people through Scouting and Badging, most of which have become close friends.

As many of you know, I took the opportunity to spend some time with John Ochitwa in January, 2002 to scan his badge collection. I have used the scans to create the "Badge CD" as well as full colour guide books of the Listed Canadian badges as tools to assist our membership in cataloguing and identifying their badges. I also used the images to create the panels used by the Badger's Club Team at CJ'07 for the Badge Display, as well as to strengthen the online gallery at the Canbadge badge website, located at [www.canbadge.com](http://www.canbadge.com).

I have been asked by members of our Club to allow my name to stand for the position of Prairie Representative as well as for the position of Magazine Editor, and I have agreed to stand for both positions.

I think that the time has come for the Canadian Badger's Club to adopt a fresh, perhaps more modern, look for The Canadian Badger and to publish it online. An online magazine would have a lower production cost than a printed version, as well as save the cost of postage. An online version of The Canadian Badger would also be much more environmentally friendly and would reduce our carbon footprint, as well as reach a new generation of potential collectors and Club members.

I would suggest that the Canadian Badger's Club Executive consider a lower Membership rate for those members who would prefer an online version. Those members requesting a printed version would have a higher Membership rate which would reflect the cost of printing and postage.

I have thoroughly enjoyed my time as a member of The Canadian Badger's Club and I sincerely hope that Scouts Canada and our Club can develop and grow into successful organizations, meeting the needs of today's youth.

Thank you for the opportunity to offer my suggestion for the future of The Canadian Badger and to put my name forward as Prairie Representative.

As always, I remain,

Yours in Scouting and Badging,

Anthony Palmer
