

# THE CANADIAN BADGER

VOLUME 37 NO. 1  
March 2012

**Dear Fellow Badgers**

**March 1, 2012**

Lots of new badges are now coming out, that means that the trading will be fast and furious. So far I have been able to get most of the new ones. But a few will be hard to get as they were produced in small numbers especially the anniversary issues that have been listed in the last magazine. I hope to see a lot of you in Montreal for the Denis Charbonneau Memorial Swap Meet and Auction.

As always I can use articles and cover material for the magazine. What's going on out there? Is there a meeting or swap session going on??? Let me know before hand and I will put it in the magazine. Is someone going to receive an award or did they just receive an award, let me know and I will do up an announcement in the magazine.

**Please address all correspondence to:**

**Spencer Julien of Ontario, has won the Loto badger. There were 4 Badges in the pot.  
Congratulations.**

***Not many members entered this time. Send in your entries and maybe we can have a large pot of badges for the Loto Badger like we use to do in the past***

Hello Fellow Badgers

From the “Prez”...

An assessment of the great December issue of “The Canadian Badger”, our first electronic issue. The front cover coloured picture of the badger face-on was eye catching. With the electronic version, the content is in colour, and up to the minute and available without the need of storing more and more paper and this has helped to avoid a membership dues increase. To you electronic subscribers, Thank You!

For those of you who have not signed up to have the electronic version and waited to have a paper copy printed and mailed, you are missing out. For this issue, the article with picture of the quite important Kempenfelt Bay badge will not be quite the same in black and white.

The prez, after enjoying the full colour version, urges you to send your email address to both editor Ray Crowther [canadianbadger@telus.net](mailto:canadianbadger@telus.net) and Secretary/treasurer Linda Aug [lindaaug@shaw.ca](mailto:lindaaug@shaw.ca) and receive your next issue electronically, you won't regret it!

On the topic of new badges, at long last we are starting to see what should be a long list of new area/council badge issues due to the mandate of Scouts Canada to downsize all badges to fit on the new uniform styles.

In Scouting,

Frank D. Smith

## HOW MANY MEMBERS KNOW THE SIGNIFICANCE OF THIS BADGE???

**THIS BADGE IS FROM THE 1975 KEMPENFELT BAY SWAPOREE. AT THIS EVENT THE “CANADIAN BADGERS CLUB” WAS FORMED BY A SMALL GROUP OF YOUNG COLLECTORS. IN A BACK COPY OF “THE CANADIAN BADGER” VOLUME 2 #5, AUGUST 1977, CHAIRMAN NORM PAGET (CBC #C0001), OFFERED SOME OF THESE LEFT-OVER BADGES FOR SALE AT FIFTY CENTS EACH WITH THE WORDS “THESE WILL BE QUITE A COLLECTORS ITEM IN A FEW YEARS”.**

**FRANK D. SMITH**

## Wooler Swap & Auction

Saturday turned out cold and windy for the Wooler Swap & Auction as about 20 people braved the elements for a day of fun and frolic.

The newest badge to show up was the Alberta Area 13 Heartland which was quickly snapped up. Most found something to their liking from the variety of goods on display. The morning flew by and after a hearty lunch of soup and sandwiches everyone started roving the auction tables in earnest; deciding what to put a bid on. Once we had drawn the door prizes and dispensed with the make an offer table and silent auction table, we got down to the main business of the afternoon. The live auction held everyone's interest with a couple of items being fast and furious while they lasted. In the foreground of the picture are club members Ed Ermel and Steve Kavanagh.

Thank You to all the club members who supported us. The Auction raised \$1,280.00 for the Area Youth Assistance Fund. We are now in the process of looking for donations towards next years Auction.

### **Streetsville Swap Meet 2012**

It was a bright, clear day in Streetsville (Mississauga) Ontario at the Streetsville Swap Meet. Hosted by Hall Spafford at the Streetsville United Church, the later start time of 10 a.m. was jumped by the usual early arrivers (they know who they are). Story-telling and swapping began in earnest at about 10:15. With many of the newer woven varieties appearing, there was a real hustle and bustle going on.

The “Badger-on-the-Head” hat was present, saw a big shadow and predicted that Montreal would be huge. New woven varieties for the 3 BC-Yukon Councils, the 7 or so Ontario Areas and Councils, and a surprise of the day, a new Tri-Shores Council (woven), were bartered. The distinguished critics liked most of the designs, but are unsure about the radical departure from the status quo by Tri-Shores.

Other swaps/trades/purchases of various varieties also took place, as did proficiency, camp, event, Trees, Popcorn and assorted other badges and memorabilia. A new Badger, a Scout, was generously received and made some great swaps throughout the room.

Overall, about 45 collectors attended during the day, and we all extend a warm thanks to “Hall for the hall” and the opportunity to get together.

Prairie Badge Report

March, 2012

Dear Fellow Badgers,

There is only one new badge from the Prairies at this time; the new MANITOBA COUNCIL badge. It is of the same design as the embroidered issue, but it is made in that new style of woven embroidery.

Thanks to Keith Laing, C0985, for bringing this new issue to our attention, and for the great trade (I’m sure Keith has more so if you’re looking for this new issue, drop him a line)!

### ***See New Badges for Image MAN 1 (I)***

Unfortunately, Northern Lights Council will not be creating any new badges until their stocks are depleted, and from what I can get from Chinook Council, they’re in the same boat. I have not received a reply from the Saskatchewan Scout Shop, so I do not know if they have anything new.

Perhaps this is a great time to contact these Council Scout Shops and stock up on some swaps for CJ’13!

Happy Trading!

## **Margaret ANSELL (Wife of Ed Conrad C0297)**

ANSELL, Margaret 1941-2012

At Anna Laberge hospital in Chateauguay, on January 13, 2012 Margaret Ansell passed away peacefully at the age of 70 years. Sourrounded by her husband Edward Conrad, her daughters: Carrie Brisson (Christopher Blake) Claire Brisson (Nadio Zacchigna) Pamela Brisson (Harold Burke) and their father

(Henry Brisson). She will be sadly missed by her grandchildren: Tyler, Hayley, Shannon, Jacob, Ariana. She will also be missed by her brothers, sisters, relatives and many friends. In lieu of flowers donations to the Montreal Shriners Hospital for children, would be appreciated.

### **B.C & Yukon Badge Report March 2012**

Badges, badges, and more badges.

As many of you have started to see; many if not all the Council and Area badges across the country are changing to meet Scouts Canada's new directive on size, shape and manufacture. Did you also know that the Group badges are also being directed to change?

B.C. and Yukon have already changed there Council badges.

The three Councils; Pacific Coast, Fraser Valley and Cascadia have all made the change to a half moon design. These badges are now available to buy or trade for.

Area badges are next. The twenty eight Areas in B.C. & Yukon will start having their newly designed badges available in mid to late March. I have seen some of the prototypes and many are changing to a rectangular shape; similar to the size of Ontario's St. Catherine's Area crest. These are designed to fit closely under the new Council badges.

For those that collect Anniversary issues; whether listed or non-listed; the former Cowichan Valley (now part of Eagles' Rest Area) have issued a 100 years of Scouting in Cowichan Valley badge. This crest will most likely not be listed as it is meant as a campfire blanket badge. The 10<sup>th</sup> Anniversary Eagle's Rest Area badge is being worn on the uniform. Like many anniversary issues it is being distributed through the Area and will be difficult to collect as limited numbers have been made. I do have a very few of each for trade.

I have also been emailed about Kamloops and North Shore Anniversary issues and their availability? All I can suggest is to contact a Club member in those Areas and possibly set up a trade.

Yours in Collecting,

Bill Thow

B.C. & Yukon Badge Rep.

## **"WHAT THINK YOU?"**

The Canadian Badgers' Club provides the only comprehensive record of the many scout badges that have existed in over one hundred years of Scouting in Canada. With this in mind, the more badges we catalogue, the better job we do. As an amateur historian, I recognize that one of the sad facts of life is whenever we lose a member of our badger family, we not only lose a friend and colleague but also a body of knowledge that cannot be replaced.

As the Club's magazine evolves into an electronic publication, we now have the ability to create and preserve a much more inclusive record of the history of Scout badges in Canada. Three ways of accomplishing this goal come to mind.

Our present editor, Ray Crowther, has faithfully continued the practice of publishing badge histories but, although he has repeatedly asked the membership to forward these histories for publication, only a small percentage of the hundreds of badges in existence have had their histories preserved. We can and should do better.

Over the years our catalogue has expanded from a single entry to a varieties format. However, until recently, the task of generating manually a record of the many hundreds of badges, past and present, that have been a part of scouting in Canada has required limitations of what could be included. Some of the excluded badge categories have their own catalogues produced by dedicated badgers who saw a need and moved to fulfill it. The next issue of the Canadian Badgers' Club Varieties Catalogue should include a separate section for proficiency badges used by Scouts Canada and for the badges used by the Canadian Girl Guides. Both of these categories have already been catalogued so permission must be obtained and acknowledgements made before we proceed.

Finally many of our members collect categories of Canadian Scout badges that may not have been catalogued as yet. These include Trees for Canada badges, Apple Day badges, Popcorn badges, patrol emblems, group badges, contingent badges, scout pins, scout camp badges and many more. We should encourage the collectors of each of these yet to be catalogued categories to produce a catalogue which the Badgers' Club could electronically print and circulate.

None of these ideas is new nor mine originally but, with the introduction of electronic publishing of the magazine, they are now more doable and, as such, deserve a new consideration on our part.

What think you?

## ONTARIO WEST BADGE REPORT

Well several new badge varieties for the new uniform are flowing out in Ontario. Many are listed in this magazine and there will be more to come with the woven look and glue on the back. After the varieties listing was finalized for publication, I heard of a new design for Tri-Shores just came out.

Also with the new area C 17 Credit Hills, it doesn't have glue on the back and I have been told that will be corrected with the next order. So us collectors of oddities may want to make sure to get one as they were a small run from what I have been told.

The other one I know of is Shining Waters was ordered as the old design but woven and glued (S33c) but the Council wanted to change the design, so watch for that one to be short lived also. They are selling them and wearing them as they need a badge but the Council considers it a mistake badge and will replace it as soon as the new one is produced.

# Canadian Badger's Club Website

([www.canadianbadgersclub.com](http://www.canadianbadgersclub.com))

Fellow Badgers,

In 2011, I assumed the role of Administrator of the Canadian Badger's Club website (forum and gallery) and I have been working on developing and adding to the hard work done by Peter Waycik, who created the website as "canbadge.com".

Please make sure you update your internet favourites from

[www.canbadge.com](http://www.canbadge.com)

to

[www.canadianbadgersclub.com](http://www.canadianbadgersclub.com).

Very shortly, the canbadge.com license will expire and the redirection link will no longer exist!

## Canadian Badgers Club Website

The website is made up of an image gallery of Scouts Canada badges and a bulletin board style forum. There are two main forums to the site – "Canadian Scout Badges" and "Canadian Badgers Club". The Canadian Scout Badges part is open to all account holders, and guests may peruse but cannot post. The Canadian Badgers Club part is open only to members in good standing of the Canadian Badgers Club.

## Badge Forums

During the morning of January 21, 2012 I went through and purged the forum member list.

This necessary purge reduced the number of accounts by 76; from 120 to 44. Most of these accounts had been set up between 2006 and 2008, and had no activity whatsoever. Membership accounts which had not been used since before December 2009 were deleted, and those accounts that had not been used since December 2010 were deactivated. A deactivated account can be reinstated, where a deleted account cannot. Any deleted or deactivated account has had its associated postings kept to ensure continuity of the forum.

If your account has been deleted, please let me know and I will help you to create a new account. If your account has been deactivated, please let me know ASAP and I will reinstate your account.

Below are the usernames for the seventeen accounts which were deactivated:

- |                   |                  |                 |

These accounts will be deleted in September, 2012 unless I am contacted via e-mail by the account owner at [badgerant@shaw.ca](mailto:badgerant@shaw.ca). If you do not remember your password it can easily be reset and then you can change it to your own password if you like.

Every September the list will be purged and account permissions will be adjusted. This is to ensure that only current members in good standing of the Canadian Badger's Club are allowed access to the Canadian Badgers Club forum.

All you need to do is visit the forum and log in periodically. That way there is a record of your visit and your account will not be deactivated or deleted.

#### Signing up as a New User

New users, please e-mail me at [badgerant@shaw.ca](mailto:badgerant@shaw.ca) with your preferred User Name and your Canadian Badgers Club number and I will reply with your password and provide you with access to the forums.

#### Badge Gallery

I am in the process of streamlining the Galleries with a program that is easier to update and use. Once a program has been determined it will be set up online and be tested. The images which have been uploaded will be saved so those users who have been uploading images of their own will not have to redo their hard work. Transferring the images will be a large part of the project and the ease of image transfer is a large part of which program to use.

#### The Canadian Badger

A new part of the Canadian Badgers Club forum is password protected. This part of the forum will have scanned back issues of The Canadian Badger available online for those who wish to see where we came from. This will be an ongoing project over the next few years.

Also, don't forget to find us on Facebook and join us there:

<https://www.facebook.com/thecanadianbadgersclub>

I hope that those who have taken the time to visit the website find its content useful, and that those who have not visited will take a few minutes to browse the site and send me an e-mail to sign up!

Cheers!

Anthony Palmer, C0882

**Don't forget to send an e-mail to [canadianbadger@telus.net](mailto:canadianbadger@telus.net) to sign up for the online magazine! Well worth the time!**

ONT K7a

ONT K7e

Ken-Kee Council is named for the two Ontario towns within the district – Kenora and Keewatin. The black bridge depicts the dividing line between the towns. Lake of the Woods on which the towns are situated is shown in blue. The symbol and name are red, the trees in the foreground are dark green and those under the bridge are light green. The border is gold.

ONT M12a

The MILTON badge was issued in the late 1975 and was designed by a 9 year old cub. The design with the four spikes symbol symbolizes the fact that Milton is the geographic center of Halton Hills country which is divided into four sections. Milton was originally named Mill Town hence the millpond and stream which flows into the once busy mill. Recently a bridge has been constructed over the stream and is also shown on the badge. The background is green, the water – blue, the bridge – grey and the design and lettering are yellow surrounded by a orange border
