

# THE CANADIAN BADGER

**MERRY CHRISTMAS**

**Dear Fellow Badgers**

**December 1, 2012**

Lots of new woven badges are now appearing across the country, BC has issued all of the new style and a lot have appeared from Ontario. Not many from the rest of Canada yet. Many are likely to appear in the next few months. I have all of the BC badges to trade if anyone wants to trade for other Woven style badges .

I have produced a new copy of the "Directory of Members" which is included with this magazine. It is not to be shared outside of the club.

In closing I wish every one a MERRY CHRISTMAS and A HAPPY

NEW YEAR

***YOU CAN'T WIN IF YOU DON'T ENTER.***

Hello Fellow Badgers  
From the "Prez"...

One thing we can't complain about at this point is the number of new badges being issued. B.C. seems to have taken the lead with all areas now having the new woven standard size badges. This is a little different for B.C. having all badges the same size and shape instead of the traditionally unique sizes and shapes we have seen in the past. Yes, we aren't B.C. anymore; we are one of three councils, but to us older collectors who reside in B.C. I think we still consider ourselves as being B.C. scouters. The new badges are very attractive, only time will tell how well they wash and wear.

It has been interesting to see that some of the new woven style badges that have come out of Ontario are not in the new standard size format but rather in different shapes and sizes. Ontario has always been the home of the little square badge. Although not every district has varied shapes, many have. Bluewater, Credit Hills and Mississauga are ones that I have seen. There is a rumour that those who have not conformed to the "new" standard narrow and rectangular format might have to do so, wait and see on this.

As has been my 20 year tradition, in the last magazine of the year, I offer my best wishes for a Merry Christmas and may you find some little pieces of coloured cloth in your stocking. Wishes for health and happiness for the coming year go out to you and yours from the "Prez".....

In Scouting Friendship,  
Frank D. Smith.

## B.C. & Yukon Badge Report

December 2012

Well the holiday season is upon us. It has been a very busy fall with Scouting start ups being delayed with the new criteria for Volunteers. Many new badge varieties have appeared over the past three months. B.C. and Yukon have now changed all their Council and Area badges for the new size shape and manufacture. Other provinces are not far behind. This makes for an interesting time in Scout badge collecting as there is so many new issues and varieties across the country.

For those interested the following is a list of the B.C. & Yukon councils with their Areas. All these are now available. I have most for trade in you are interested in trading for anything new from your part of the Country. Pacific Coast Council; Burnaby Area, North Shore Area, Pacific Spirit Area, Richmond Area, Vancouver East Area, Sunshine Coast Area, Sea to Sky Area. Fraser Valley Council; Coho Area, Fraser Cheam Area, Green Timbers Area, Nicomekl Area, Three Rivers Area, West Surdel Area. Cascadia Council, Central Island Area, Central Okanogan Area, Eagle's Rest Area, Greater Victoria Area, Orca Coast Area, Skeena Area, South Okanogan Area, North Okanogan Area, West Kootenay Boundary Area, Peace Northern Rockies Area, Caribou Chillcotin Area, Central Interior Area, East Kootenay Area, Kamloops Area, Yukon Area

At this time I would like to wish everyone a very Merry Holiday Season and lots of happy trading.

Yours in Collecting,  
Bill Thow

# 2012 Wooler Swap - Badge and Memorabilia Auction

The day dawned cloudy damp and cool but by mid morning had cleared to sunny and cool. Regardless what the calendar said about it being Thanksgiving weekend we registered an average sized turnout equal to last year; thanks to the proxy bidders which doubled this year.

A new Algonquin Hills Area; Owasco Area and Voyageur Council showed up with a variety of the new BC Areas. By 1 pm we had pretty much traded ourselves out and switched to the auction tables. As usual Steve Kavanagh was our largest supporter. (Cleaning up on all the bargain basement prices.) He thinks of us as his own private (badge) hunting preserve. Thanks Steve!

With the early start on the Auction; most were on the road by 3 pm or shortly after and we had cleared \$835.00 from the day's efforts for the Algonquinte Area Youth Assistance Fund. We wish to thank all those who donated; assisted and participated in making this year's Auction a success.

We have checked the calendar and the next time Thanksgiving falls on our weekend is 2017 and 2018. We have now started preparing for next year's Auction and are already looking for donations towards it. Hope to see you at next year's Swap.

YiS

## **DANNER, Wilbert (Ted) Dr. C0093**

February 28, 1924 - May 26, 2012

Ted was born, raised, and educated in Washington State, and came to Vancouver and the University of British Columbia as a Professor of Geology in 1954. He is predeceased by his parents and brother. Ted had no close family, but dedicated much of his life to Scouting and his University teaching position. As a Professor and eventually Professor Emeritus at UBC, Ted's field of professional interest was carbonate petrology. Ted was

active in Scouts both in the US and Canada. He loved the outdoors and took his Scouts on numerous wilderness adventures, passing on to most of them a similar appreciation and respect for our planet. The boys were always encouraged to leave a campsite in better shape than they found it. Many of these wilderness trips were also geological field trips where Ted would continue his research studies of the geological history of the Pacific Northwest. He educated the boys about rocks, minerals and fossils, and a great number of them went on to take courses or pursue careers in the geological sciences. Ted was fiercely independent, but lately as his health deteriorated, he was supported especially by a caring professor-friend and his neighbours. At his request, there will be no funeral or memorial service, but readers may wish to simply give a three-fingered salute to a man who left his worldly campsite better than he found it.

# ONTARIO WEST BADGE REPORT

submitted by Tom Evanoff

The Hamilton Swap Meet and Auction on November 3 was well attended, we had about 50 people throughout the day. It was good to see some youth come out for the swap, the offer of a free bag of badges brought out about 10 youth. A great big hand shake to all the badgers who welcomed them, explained trading and gave them some real good deals. The Hamilton Area Auction had about 30 Scouters in attendance and raised \$1150 to assist with youth registration for those that can't afford scouting. A big thank you to all who bid the items up in value.

A new swap in this area is planned for January 26, 2013 from 9 to 5 at Riverside United Church, 451 Dunedin Drive, London Ontario. Lets support it and develop another new venue for trading. It is being organized by Glenn Margison and Dave and Wendy Robak.

## Badger Gord Says Lets Trade

I am on the lookout for new Area and Council badges from Ontario and elsewhere.

I have all the new BC Area and Council badges to trade. Also a new BPSAC badge.

I also have many other older badges (some rare) to trade.

I am also interested in ASC, AABP, AQAB and BPSAC badges.

Please email me at [ennisgl@telus.net](mailto:ennisgl@telus.net) and lets organize a trade.

# **CANADIAN BADGERS CLUB QUEBEC REGION**

## **35th Annual Montreal Swap Meet and Auction**

**Fellow Badgers:**

Thank you for making this year's Auction a great success, and I am very proud to say that we have sent to the **WORLD BROTHERHOOD OF SCOUTING FUND** a check for the amount of \$3118.12 dollars. In addition we sent a check for \$ 500.00 to the Canadian Badgers Club to be used for the promotion and recruitment of new members at CJ13.

We had about 48 people come through our doors, most of which showed up early on Friday. So trading started early Friday afternoon and stopped on Saturday around 3:00 just before the Auctions. We had club members there from British Columbia, Alberta, Ontario, Quebec, Nova Scotia, the United States and England.

The Floor auction went well; but there was no table or silent auction this year due to time constraints. We are pleased to announce that they will be back in place for next year. Over 800 district badges were made into grab bags that sold just before the Floor auction. So if you have never been to a Montreal swap meet plan to be there next year, you do not know what you are missing.

In closing I would just like to say again, **THANK YOU** to all who donated badges or helped me in setting up this year's auction, Because of **YOU** our swap meet was a great success.

**In Brotherhood**

## Badge Chatter

Greetings from the cataloguer! Once again many club members have brought new issues and new finds to the attention of me and the Regional Badge Representatives. Among those club members I have heard from, directly or indirectly, are Linda Aug, Frank Kramer, Don Allen, Glen Wright, John Butters, Steve Kavanagh, Mike Assef, Rex Moir, John Zabarylo and John Pickering. My apologies to those not personally mentioned here.

In the last column I asked for feedback on who had the BC C17a badge – the Crows Nest District badge with no tail on the crow. This was because several members had questioned its authenticity. I have heard back positively so now we know there are at least two of those badges out there. Thanks for the feedback. It gives me hope I may eventually come across one for my own collection. I have heard back about Centre Du Quebec (ASC C3) but still awaiting comments on both sizes so if you have news let me know – thanks.

This December issue marks the completion of a year-long output of new woven badges from British Columbia – now every Area in BC is in the new format, as are the three BC Council badges. There are also lots of new woven badges from Ontario that have come out in the last three months (with more coming out each week). Living on the wet coast I have a harder time tracking down new issues from Ontario than my home province so I appreciate those who have brought these issues to my attention. If any new ones are missed (and I already have a few that arrived too late to put into the magazine updates) please jot me a note or even preferably a badge with a wants list and we will incorporate it into the next issue of *The Canadian Badger*. Ditto the other provinces. Please contact me at: [ennisgl@telus.net](mailto:ennisgl@telus.net)

The cataloguer reacted to feedback that the description of our new Council badges as CSP shaped was unintelligible if you did not know what a US “Council Shoulder Patch” looked like; and even if you did know then it was not a very patriotic description! This has led to the new description of our Council badge shape as being a “Truncated Dome Shape”.

I also have to eat a bit of crow this issue as when the first Manitoba Council badge (one of the series of 20 Canadian Council badges) came out it was identified incorrectly as Manitoba Provincial badge 1L. It was later assigned the Council badge coding 6A but we forgot to delist the incorrect MAN 1L listing. Thanks to New Zealand member Rex Moir for identifying the duplication. So please identify the badge only as MAN 6A.

One exciting addition to our varieties catalogue that I did get into this issue is the badge from the First National Venturer Scout Event. This event was held June 30 to July 7<sup>th</sup>, 2012 at the Haliburton Scout Reserve (there is a write-up of this event in the Fall 2012 issue of *Scouting Life*). The badge illustrated was from the jamboree scarf – if anyone knows if the badge came on its own as well please let me know.

It seems that the hunt is on amongst the Badgers for new finds from the past. While a few new finds are listed in this issue of the Canadian Badger many more were examined by me and the busy Canadian Badge Reps. For the most part the differences between badges, while there, were considered minor and not enough to warrant a new variety listing.

This badge is one of the ones recently submitted to the committee. It looks to me like Manitoba P8a with a missing Canadian flag. So it might be a thread break which is what the badge committee thinks. However, if you have one let me know please. We might rethink things if a number of these badges turn up.

### Badge Variations

The above figure shows slight variations in the Milton badge. We decided not to list the differences but you might want to be on the hunt for them if you collect differences between badge runs.

Here was another badge submitted to the Badge Committee. There are lots of little changes such as the airplane window, the ox, the type of smoke between the tepees. Others too but again we judged that the differences in the badge were minor in nature.

This Simcoe Phoenix badge also has minor variations. (Note the head and orange lines in the body.)

And on it goes! Please feel free to submit suspected new finds but again take the opportunity to note the section at the front of the Varieties Catalogue regarding how changes to badge listings are made.

Once again I would like to thank the club's regional reps: Bill Thow, Anthony Palmer, Everett Dalmas, Tom Evanoff, Dave Winter and Serge Janelle.

With the Christmas Season now upon us it is my pleasure to wish everyone all the best with perhaps even an interesting piece of cloth turning up in the stockings!

# DENNY'S BENCH

**Don Allen** (COO45) recently spotted this bench as a memorial to **Denny Ramsbotham** (C0197) 1930 – 2000. It is in the courtyard of the Bob Prittie Metrotown Branch of the Burnaby Library at 6100 Willingdon Ave., Burnaby, BC. Denny was a long time collector of Canadian and USA Scout badges. Denny last lived only two blocks from this site and would have passed this way often.
