Dear Fellow Members,

I would like to extend my gratitude to Ray Crowther for his 27 years as Editor of the Canadian Badger. Ray took over as Editor of the magazine (Volume 12, Number 3, November 1987) and with his hard work met and maintained the schedule of the Canadian Badger as the quarterly publication we have all become accustomed to.

Ray, your efforts and determination in all you have done for the Canadian Badger and the Canadian Badger's Club is greatly appreciated by this Badger and the rest of the Club Membership. Thank you very much!

2013 was a very busy year in the Canadian Badging world:

- Mrs. Jean Neil passed away in January, 2013,
- A whole series of discovered ASC issues were added to the catalogue,
- The Canadian Girl Guide catalogue continues to be further developed and expanded upon,
- Plenty of Swap Meets were held across the country, including the Denis Charbonneau Memorial Swap Meet (36th Montreal),
- A very successful 12th Canadian Jamboree – Camp Woods, Alberta,
- Lots and lots of new issues and variety discoveries added to the catalogue.

Soon Christmas will be upon us and while we are enjoying the Season with friends and family, why not take a minute and consider those who may not be as blessed as we are? Perhaps your Group or Section already takes part in food drives for your local Food Bank or clothing drives for the homeless. What a great way to promote Scouting, Scouting's ideals, and the Christmas Season with a donation to help others. It's important to remember that the need is there all year, not just at Christmastime!

Merry Christmas to all and all the best in 2014!

Yours in Scouting,

Anthony Palmer,
Editor

from the prez!

From the “Prez”...

I would like to welcome Anthony as our newly elected editor to his first club magazine publication. Please remember to send all articles, ads, notices, pictures or other such items for publication to Anthony at thecanadianbadger@shaw.ca.

From what I have, or rather, have not heard or seen, not very much is happening in the way of new issues anywhere in Canada at the moment. One positive thing that I have heard is that Manitoba is finally getting near the bottom of what seemed to be an endless supply of those less than interesting little square service area badges. Surely when the powers that be do decide to place orders for new issues, they will look around as to what other councils; i.e. Alberta, has done and come up with some designs that are colourful or interesting or historical or scenic.

Once again, as I have done for twenty previous December issues, I wish you and yours a safe and healthy Merry Christmas and a very happy New Year. Oh yeah, and some little pieces of 4 or 5 star coloured cloth under your tree.

In Scouting,
Frank D. Smith

Badge Chatter

Greetings from the cataloguer! Once again many club members have brought new issues to the attention of me and the Regional Badge Representatives. Among those club members I have heard from, directly or indirectly, are Frank Kramer, John Butters, Everett Dalmas, Glen Wright, Sylvain Vallieres and Michael Diegel. My apologies to those not personally mentioned here.

One of the badges you will note we have listed in this issue is the Manitoba 100 year badge which previously I indicated did not meet the criteria for listing based upon the information at hand. I received further information from Michael Diegel and Frank

Smith regarding changes, with time, over the badge's use and wide distribution. This new information led to the listing as a Commemorative Issue from Manitoba.

The main thing you will notice with the Badge Updates is the change in Council listings. I, and others, had been concerned for some time that where we put the new Councils in our *Varieties Catalogue* was inconsistent from province to province. Of the 20 new Scouts Canada Councils seven (Saskatchewan, Manitoba, Quebec, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland and Labrador) were being assigned, or slated to be assigned, to the beginning section of each province. This was appropriate as these Councils replaced the old Provincial Council which is now extinct and the new Councils in turn reported to the National Scouts Canada office just like the old Provincial Council did. However, the remaining 13 Councils from British Columbia, Alberta and Ontario are equivalent in every way to the Council from the other provinces but were being assigned codings lower down in the section and hence mixed in with Regions, Districts and Areas. This inconsistent approach was becoming more obvious with each passing month and the clearer move to Councils and Areas

as new badges were being issued. What we have therefore done is made the coding consistent throughout the country which meant that all 20 Councils reporting to National are now put in the front section of each province. As such their coding has changed to a numerical coding. The long list of changes recorded in the updates simply confirms this change. (It's not as overwhelming as it first looks.)

I know that some of you will thank me for the correction to the Council listings and other will probably put my image on a dart board. I share your pain in re-organising our collections but this is a hobby we like putting time into and we may as well get it right in the organisation of badges. Sorry but I think it had to be done and sooner (even though tardy) was better than even later.

Once again this issue has some new finds from the past in addition to brand new badges being listed. We do not end up listing all variations brought to our attention and I thought I would put in an image of PQ L7a. In remounting my Quebec badges and comparing traders to the ones in the collection I came up with a size difference in the lettering and design within the badge. It just missed the mark for being listed but I show it below (with the common variant on the left) so those who collect such variations can be on the lookout for same.

I am a wee bit tardy on this but soon after the Canadian Jamboree there was a World Moot held in Canada. This was the first time the event was held in North America! I think we can all be proud of the event being held here and

the club members who were involved in attending or giving service to the World Scout Moot. Thanks go to Rheel Duchesne and Paul Deryaw for their service. I know Doug Reid also was there also for a period of time. Who else? The official badge (it is World versus Canadian so will not be coded by us) is shown below.

As many of you know the ASSOCIATION DES SCOUTS DU CANADA (ASC) is reorganising into 10 Districts. The first two districts with badges are listed in this update. They are Scouts de l' Érable and Scouts De La Montérégie. More to come over the months ahead! Thanks to Sylvain for summarizing the future changes for me and to Serge as well.

I also want to do some trading in the coming months. So send badges too! One thing I am trying to track down is old Canadian and provincial and ASC sub-camp badges. If you have any such badges sitting around send me a scan and maybe we can work out a trade. One odd one I am after is a Peter Pond subcamp from SaMaJam '99 (it turns out silk screening activity badge for those who found the time to participate so won't be coded but that does not dampen my interest). Anyway, I know there are lots of other subcamp

badges out there from other jamborees too.

Now the news many of you have been waiting for; having had our Canadian Jamboree and finally sorted out how to deal with Areas and Councils it is time for a new Varieties Catalogue. I will be in the editing process over the next few months and then pass it over to our editor, Anthony Palmer, for eventual finalisation and distribution.

I thank all who bring new badges to my attention. Keep it up! Please contact me with your finds at: ennisgl@telus.net Once again I would like to thank the club's regional reps: Bill Thow, Anthony Palmer, Everett Dalmas, Tom Evanoff, Dave Winter, Richard Nahorniak and Serge Janelle for all their support. A Merry Christmas and Happy New Year to all.

Gord Ennis

Maritime Badge Report

With crests and badges shared by Badgers Dave Winter, Ian MacCalder, John Butters and Don Connors, plus the assistance of Badger, Dave Rogers, we put on a small Badge Display on Saturday at our annual Scouters Conference consisting of CJ13 items and many of the recently listed new high definition embroidery badges from across Canada.

Nova Scotia Council unveiled their much anticipated newest Council Badge at the 56th Annual Nova Scotia Scouters Conference on November 2, 2013 in Bridgewater, Nova Scotia. It was received with great acceptance and fanfare by those in attendance. One new Council badge was issued free to each registered youth and adult within the Council as of the middle of October, 2013. A copy has been sent to our cataloguer and should be listed elsewhere in this magazine issue.

Halifax Area is now disbanded [Extinct] and reformed into three new smaller “yet un-named” Service Areas. A rough breakdown:

- The new Service Area I’m now in out in Lower Sackville consists of most if not all the Scouting Groups once in Basin Lakes, Sespenskaak and Sackville Centre.
- Another new Service Area consists mainly of “Peninsula Halifax”; Scouting Groups once in Halifax North and Halifax South.
- The third new Service Area consists of most of the other Scouting Groups once in Halifax Region like St. Margaret’s Bay, Armview and Harbour West.

This is a rough breakdown only and not an accurate division at the moment. Each of these three new Service Areas will be full blown Service Areas identical to the other 9 Service Areas within the Nova Scotia Council; there is no more Halifax Area with Zones/Groups under their wing as we once knew. These three new smaller Service Areas will now do the servicing in each of their respective Areas previously done by the larger Halifax Service Area. New Service Area names and Service Area badges are yet a work in progress. So now, instead of 10 Service Areas in Nova Scotia Council, we will now have 12 Service Areas within the Nova Scotia Council and three new Service Area badges in due time.

Respectively Submitted,

Dave Winter, C0521

Prairie Badge Report

Dear Fellow Badgers,

With the completion of a successful Canadian Jamboree, it appears that the Prairie Councils are taking a breather! Hopefully with the new program coming up there will be new woven badges from Chinook, Saskatchewan and Manitoba Councils in the new year.

We are trying a new aspect to badge trading in Buffalo Plains Area: Badgefest; a series of four seminars aimed at Scouts and Scouters advocating fair badge swapping. These four seminars will teach the attendees proper trading rules, trading techniques, badge collecting versus badge accumulating, displaying badge collections, and of course, The Canadian Badger's Club.

That's all from the Prairies while we try to keep warm by shoveling all this snow!

Yours in Scouting and Friendship,
Anthony Palmer, C0882

B.C. Badge Report

As the 2013 year closes quickly more new issues are still coming out across the country. Here on the wet West Coast there is nothing new or exciting; though rumour has it that some variations of some of the Area badges might be showing up shortly.

Yours in Scouting & Collecting,
Bill Thow, C1135
B.C. & Yukon Badge Rep.

P.S. If you are looking for B.C. badges let me know because I have many new and older issues to trade. I am always looking for new issues from other provinces.

For those that collect proficiency or merit badges you should be aware by now of the major changes coming to all sections in Canadian Scouting:

- Beaver Scouts will be able to earn badges
- Cub Scouts and Scouts programs will be drastically changed with many existing badges disappearing and a new series of merit badges coming out
- Venturer Scouts and Rover Scouts will also have new updated badge programs

This is exciting news for collectors and those of us running section programs. These changes are supposed to roll out with test groups in 2014-15, with full implementation in the 2015-16 Scouting year.

5th ANNUAL WOOLER SCOUT BADGE & MEMORABILIA SWAP AND AUCTION 2013

On Saturday the 5th of October the swapping got rolling as members started arriving around 9:30 and proceeded through the lunch hour of hot soup and sandwiches. Around 1:30 pm we started closing down the various tables and started announcing winners of various draws and bids of:

- Door Prizes
- Make an Offer Table
- Secret Auction
- Table Auction
- Live Auction

This year's turnout was down slightly so the winners got some good bargains. The end results of the day's events resulted in a donation of \$715.00 to the Algonquinte Area Youth Assistance & Camp Fund. We've already started collecting and have a very nice Victoria District in mint condition (CAN/ONT V.1a) donated for next year's Live Auction.

We had a few new faces this year and hope to see more next year.

Until next time, "Good Swapping"!

Yours in Scouting;
Everett Dalmás, C0408
Ontario East Representative

Another great find and fair trade! The smiles are contagious...

The Hamilton Swap Meet and Auction on November 2 was again well attended, we had about 50 people throughout the day. It was good to see some youth come out for the swap, the offer of a free bag of badges brought out about 7 youth. A great big hand shake to all the badgers who welcomed them, explained trading and gave them some real good deals. It was good to see Doug from Montreal as well as Rick and Dave from Buffalo join us again this year.

The Hamilton Area Auction had about 30 Scouters in attendance and raised \$1180 to assist with youth registration for those that can't afford scouting. A big thank you to all who bid the items up in value.

The next swap in this area is planned for February 1, 2014 swapping from 9 to 2 and a live auction from 3 to 4, at Riverside United Church, 451 Dunedin Drive, London, Ontario. Lets all support it and develop another venue for trading in Southern Ontario. It is being organized by Glenn Margison and Dave and Wendy Robak.

Yours in Scouting,

Tom Evanoff, C1012
Ontario West Representative

Badgers of various experience, having fun, learning, and trading badges! What a great way to spend a day!

Badgefest 2013-14 is a four part “Seminar/Swap Meet” being organized in Buffalo Plains Area, Northern Lights Council. The four parts to Badgefest 2013-14 are:

1. What are badges, how are badges made, what is badge collecting?
2. Are there rules for trading? Fair trading, why we trade badges, the rules for fair badge trading.
3. How do I show off my badges? Display techniques, campfire blankets, binders, frames, etc.
4. Where does this badge thing go from here? Jamborees, swap meets, developing and furthering your collection, badge clubs.

For Badgefest 2013-14, there a badge for each seminar/swap meets with its own coloured border. Badgefest #1 is green, #2 is red, #3 is yellow and #4 is blue. We are hopeful that the coloured borders keep Scouts and Scouters coming out to all four Badgefests!

Badgefest #1 was scheduled for Saturday, November 16, 2013, but an overnight snow storm brought the entire Alberta Capital Region (in and around Edmonton) to a halt with cold, snow and extreme winter driving conditions.

The organizing team was able to reschedule Badgefest #1 for Saturday, November 30 and although there were a very small number of attendees the spirit of badge trading was there in force!

WHAT SAY YOU?

Those of us who are Members of Scouts Canada as Leaders, members of a BP Guild, Group Committee members, etc. will already have gone through the Volunteer and Adult Registration process. However, many of our Club Members are retired from Scouting and would fall under the Parent Helper & Other Adults - Regular Meeting; Day Activity (occasional) category of the Non-Scouts Canada Members chart. Follow the link at the bottom of this page to view the chart.

Section 3.0 in the Bylaws of the Canadian Badger's Club states:

"Membership is open to any registered member of any recognized Scout or Guide Association of any country upon payment of the required dues. Employees of Scouts Canada are also eligible for membership."

The Canadian Badger's Club, as an associate of Scouts Canada, must be able to ensure that all of our members meet Scouts Canada's requirements regarding Volunteer Screening.

Scouts Canada has designed volunteer screening policies and adult registration practices to clearly demonstrate Scouts Canada's commitment to keeping our youth members safe from harm at all times.

A serious and troublesome situation within the Club arose this year and while the specifics of the situation will not be discussed here, I pose to the membership two questions:

1. Should all Current Canadian Members of the Canadian Badger's Club meet the Scouts Canada Volunteer Screening requirements (with International members required to meet their own Scouting Organization's Volunteer Screening Requirements)?

2. Should the membership requirements of the Canadian Badger's Club, as outlined in Section 3.0 of the Club Bylaws, also include meeting the Scouts Canada Volunteer Screening requirements (with International members required to meet their own Scouting Organization's Volunteer Screening Requirements)?

Volunteer Screening Policy Update

In order to ensure that all Scouts Canada youth members continue to benefit from a safe and healthy environment in which to explore Scouting programs, the Board of Governors recently approved a number of changes to member screening policies. These changes were undertaken to address a number of opportunities identified by the external Child and Youth Protection Advisory Committee. In addition, they ensure that all members in a position of trust are aware of Scouts Canada's Code of Conduct and are knowledgeable of their obligation to plan for and deliver programs in a safe manner.

Scouts Canada's screening policies and adult registration practices are designed to clearly demonstrate our commitment to keeping our youth members safe from harm at all times.

The recently approved policy, which comes into effect on September 1, 2012, is reflected in the table below.

8.0 MEETINGS OF THE CLUB

8.1 A general meeting of the Club must be held once every four years. If possible, this meeting shall occur at the Canadian National Scout Jamboree.

8.2 If a period of four should elapse without a Canadian National Jamboree, the president shall designate a nationally significant swap meet as the site of the required general meeting. Unless otherwise decided, the Montreal Swap Meet shall be that site.

8.3 Notice shall be published in the Club magazine specifying the place, the day and the time of the general meeting. This issue of the magazine must be mailed at least 30 days prior to the holding of the meeting.

8.4 The President, or in his absence the Vice President, shall preside as Chairperson. The meeting shall be conducted as outlined in Robert's Rules of Order. All Scouting members are welcome to attend, but only qualified club members may vote. In the event of a tie vote, the President shall cast the deciding vote.

8.5 The business of the meeting shall include:

8.5.1 Election of Officers (At Least Once Every Four Years)

8.5.2 Membership Report

8.5.3 Treasurer's Report

8.5.4 Editor's Report

8.5.5 Regional Representatives' Reports

8.5.6 Old Business

8.5.7 New Business and Input from the Floor

8.6 A total of fifteen qualified members including at least two members of the Executive shall constitute a quorum.

8.7 If for any reason, the President should fail to call a General Meeting within four years of his election, the Vice President or any other member of the Executive shall cause a General meeting to convene as early as possible. An election of officers shall be held and, in this case, the President shall be ineligible for reelection.

9.0 The current Club members shall have the power to alter this set of bylaws (except 9.0, 10.0 and 12.0) at any general or extraordinary meeting. Written notice must be given to the President at least ten weeks prior to the meeting at which the proposed alteration is to be considered. Any proposed alteration must receive a majority vote of at least 75% of the voting members present in order to be adopted. The Executive shall accept postal ballots from voting members unable to attend.

10.0 The assets of the Club, whether income and/or property shall not be given or transferred in any way to any member (s) of the Club, except the payment in good faith as a remuneration to a member of the Club for services rendered to the Club, or for goods supplied to the Club in the ordinary way of business or for any reasonable out of pocket expenses properly incurred by a member (s) of the Club acting under the authority of the Executive.

11.0 An extraordinary meeting may be convened by the Executive at its own requirement or at the request in writing of at least 20 voting members of the Club representing at least three of the five regions. The rules pertaining to any general meeting shall apply except that the business of the meeting shall be limited to the agenda issued with the notice of meeting.

12.0 The Club shall not be wound up or dissolved except by the consent of 75% of its voting members voting by postal ballot. At least two calendar months notice of such a vote must be given. Any and all assets of the Club remaining after full settlement of all just debts and liabilities incurred by the Club shall be disposed of by transfer to the World Brotherhood of Scouting Fund of Scouts Canada.
