DEADLINE FOR SUBMISSIONS TO THE
SEPTEMBER ISSUE:

AUGUST 15, 2014

SEND IN YOUR ARTICLES, ADVERTISEMENTS AND LETTERS!

Dear Fellow Badgers,

Our esteemed cataloguer, Gordon Ennis, has finally put the finishing touches on the 7th Edition of our Varieties Catalogue. The 6th Edition was issued in December 2008 and I know what a challenge it has been to keep my catalogue up to date through twenty-one updates spanning nearly six years! The Varieties Catalogue will be issued in a .PDF format, or printed on North American letter sized paper and hole punched. There is more information on how to order your copy of the catalogue on the back cover of this magazine.

On another note, Canada Post has raised postage rates for all of their services to all destinations around the world. This means that it will be more expensive to send out the magazine to those who opt for a printed version. For all members, please keep in mind that there may be an upcoming membership rate increase in September, 2014.

It's looking like the Areas are beginning to get on the bandwagon concerning the new woven style of badge. Chinook Council in Alberta has begun to replace the embroidered badges with woven. Chinook also seems to be growing Scouting in southern Alberta, evidenced by the splitting of two Areas: Prairies to Rockies is now North and South and Nose Hill Area in Calgary is East and West. Ontario, Quebec, Nova Scotia and Newfoundland and Labrador are following suit with more new designs and colourful badges. I particularly like the new Cobequid Lakes Area from Nova Scotia because it is the only badge with a youth member doing something outdoors! I hope everyone has a terrific summer doing outdoor stuff too!

Yours in Scouting,
Anthony Palmer, Editor

Keep Calm and Carry On is a motivational poster produced by the British government in 1939, several months before the beginning of the Second World War. The intent of the poster was to raise the morale of the British public in the aftermath of widely predicted mass air attacks on major cities and an enemy invasion.

Other posters were widely used and better known. The **Keep Calm** posters were planned to be utilized in the event that an invasion of Britain was imminent. Because the threat of invasion was stopped, the **Keep Calm** posters had only limited distribution with no public display. Thus the phrase **Keep Calm and Carry On** was little known until one poster was rediscovered in 2000 at a small bookstore in the United Kingdom.

Since then the design and phrase has been re-issued by a number of private companies and has been used as the decorative theme for a range of products; now including the Canadian Badger's Club!

So Keep Calm and Trade Badges!

from the prez!

Hello Fellow Badgers
From the "Prez"...

A huge thank you to all club members who attended the 3rd Denis Charbonneau Memorial Swap meet and Auction (the 37th swap in Montreal). Although our numbers were down this year, it was still a very successful event. I am sure that everybody who attended went home with many additions to their collections and some real bargains were had in the various auctions. Mark April 24 & 25, 2015 on your calendar and plan to attend next year. Attending or not, please remember that we really need your donations for the auctions which support the swap meet and the World Brotherhood Fund. Mike Assef, who does the work with the donations, asks for early submission to spread the work load out a little.

I am pleased to say that The Canadian Badgers Club continues to have strong support from its membership and is financially sound. In agreement with the Charbonneau family, part of the auction money raised from the Swap Meet now supports the Badger Club as well as the World Brotherhood Fund. We have used this money to help out with the display at CJ13. We plan to make some new vinyl display panels for the new High Definition issues and also to assist with the display at CJ '17

While we are solvent, Canada Post's new rates may affect our membership fee structure come renewal time this fall and this postal increase may be passed on to members who receive a non-electronic magazine. The Prez suggests if it possible to access the magazine via computer, members should choose to do so.

Yours in Scouting,
Frank D. Smith.

BADGE CHATTER - by Gordon Ennis

Greetings from the cataloguer! Once again many club members have brought new issues to the attention of me and the Regional Badge Representatives. I have heard from Serge Janelle, Ralph Williams, Will Conners, Don Caldwell, Michael Diegel, and Tom Evanoff. My apologies to those not personally mentioned here.

You will notice that in this issue of the magazine only newly issued badges are listed. What with finishing off the catalogue and dealing with all the new badges that showed up in Montreal at the “Denis Charbonneau Memorial Auction and Swap Meet” there was no time to deal with any new finds. That event, by the way, is a wonderful way to keep in contact with old friends and a way to make new ones. If you have not yet made it, make a date for next year. While attendees were down a bit I was amazed at the rare old badges that turned up and my collection certainly benefited from it in a way that simply would not otherwise happen.

A few older badges with variations were brought to my attention in Montreal and via mail and we will ponder whether these warrant listings in the coming months. So, they may show up in the September issue of The Canadian Badger.

The ASC continues to amalgamate districts and at this time a new “Taiga” badge came out. Associated with it were eight districts going extinct. These are outlined in the Varieties Catalogue Update section of this magazine. At the same time the ASC had a new run of SCOUTS DE LA MONTÉRÉGIE, this time with a darker purple Fleur-de-lis. While it is not considered significant enough to list those of you hunting down any variations at all should be on the look-out for it.

In the last issue of Badge Chatter I enclosed two scans of the ASC Saskatchewan badge and asked who had both the badge with vertical stitching in the sun and the one with horizontal stitching. The response was amazing and I heard from over a dozen badgers from Canada and elsewhere in the world that had both types in their collection.

Another badge, this time a VIEUX-FORT 50th anniversary that showed up in Montreal is illustrated on the next page. It was not a uniform badge so will not be listed but again I thought some of you would be interested in this. The badge is perfectly square: 100mm X 100mm. The image of the badge is reduced to 50% of the actual size.

In a similar vein Rex Moir from New Zealand sent me a scan of AIRFORCE TRENTON (ONT T.4.C). It has vertical stitching in the white centre portion of the badge. I have looked and enquired around but not found any others like this. Does anyone else have one of these? If so, please let me know. Thanks.

Frank Smith also came up with an interesting variety of the LAKE ATHABASCA badge (SASK L.2.A). It has much larger writing. Does anyone else have this variant?

The last variant I am showing in this issue comes from Chris Wootton. That is EAST SCARBOROUGH (ONT E.5.D). The badge on the left has a 17mm wide Scout Badge or Fleur-de-lis, if you will, while the one on the right has a 20mm wide Scout Badge. The scroll below the Scout Badge is 22mm wide in both cases but one is much thinner than the other. I have a couple of each and know there are others out there. Take a look and see what you have.

John Witham sent a scan of an old badge he believes is from the original Ganaraska District which preceded the creation of the Cobourg and Port Hope Districts. Does anyone have further information on this?

And now for a non-district, non-area badge! At Montreal I was given the French Language popcorn badge, shown on the left. I never even knew they came out in French so was quite pleased since I collect popcorn badges. So, if you don't have one contact me or others that attended Montreal this year and we can probably do a swop. Does anyone know if there are others in French?

You will have seen elsewhere in the magazine that the new Varieties Catalogue is now out. I hope you enjoy it and the changes within. One thing that became apparent in putting it together is that we had a number of badges that had gone extinct that were never reported in The Canadian Badger. So please bear in mind, that when going over the new catalogue, the new catalogue is the most accurate record of extinct badges compared to the previous version and the many updates between then and now. There are several improvements in this version of the catalogue and I would like to acknowledge the assistance of the Regional Badge Reps. A special thanks to Anthony Palmer in particular whom was very generous in digging up and sharing information that proved vital in the revisions.

I thank all who bring new badges to my attention. Keep it up! Please contact me with your finds or answers to questions at: ennisgl@telus.net Once again I would like to thank the club's regional reps: Bill Thow, Anthony Palmer, Everett Dalmas, Tom Evanoff, Dave Winter, and Serge Janelle. Richard Nahorniak is taking a bit of a hiatus for a few months so if anyone else wants to assist with Quebec badges please let me know.

Tasmania...and the Prez's hunt for Scout Badges

Fulfilling a "bucket list" item, the wife and I embarked on a twelve day coach tour of Tasmania. It was all we expected and more. We saw and visited quaint English style towns, many convict built, natural wonders and unique animals but for me this trip was about scout badges.

As many of you know I collect Australian scout badges and have a reasonable collection including the island state of Tasmania. The island state is about the size of Ireland, its capital is Hobart. In advance, I tried contacting Scouts Tasmania and I was informed that they did not maintain a scout shop like you and I know but rather have contracted out to a company called Snowgum whose only outlet was Hobart. Snowgum Co. is an outdoor supply outlet that supplies a small spot in their store for a few uniforms, manuals and a decent supply of proficiency badges and not much else.

We easily located the Snowgum store in Hobart and purchased copies of the three district badges they did have. Two out of the three were different so this proved successful. Although the staff at Snowgum was very helpful, no other source for badges was listed for all of Tasmania. Slightly disappointed, we continued on with our coach tour.

Six days later we are in Launceston, the second largest town in Tasmania and were staying at the Hotel Grand Chancellor. As the name suggests a very nice six floor stone building with a grand entrance. Imagine my surprise and enjoyment as I walk in to find the bright red carpet emblazoned with scout fleur-de-lis. Later that evening, on a late evening walk on a small side street, Joan spies "Scout Shop" on a sign above the doorway on a small "mum and pop" outdoor store. Impatiently, we do a tour the next day and then set out to find this small shop before 4 p.m. closing time.

As we walk in the door we immediately notice the wall behind the counter is literally covered in Rover Moot pennants, jamboree neckers and badges, districts and untold numbers of scouting events dating back to the 1950's. Scouting items cover the counter top, other walls, shelves here, there and everywhere. I strike up a conversation with the sales lady and the pennants, etc. belong to her husband who attended the events and are all souvenirs. Emboldened, I ask what she might have for sale and she produces from under the counter a sheet of paper with sample district and other badges priced for sale. Along with this one sheet, she has a set of Tasmania contingent badges from the last ten Australian jamborees and a smattering of other badges. I indicate I would like to buy one of everything she has shown me, but whoops, she does not accept credit cards. We both rifle through our wallets and have just enough cash! I asked her if she was a collector herself but, no, she just has a few bits and out comes a battered cookie tin, again from under the counter. It does contain a few things I like, she tells me to take what I like and just put some Canadian badges from my trader pile for the next person. With a left handshake, this happy collector bids goodbye as they close shop for the day and I walk away with my wee bag of Tasmanian treasures.

As you journey the world, may you find some hidden treasures on your way.

Prairie Badge Report

Dear Fellow Badgers;

Chinook Council continues to grow by leaps and bounds! For those of you who do not know, Prairies to Rockies Area (CAN/ALTA A.11) has been split into NORTH and SOUTH; the codings for these badges can be found in the Catalogue Update. Also from Chinook, Nose Hill Area has finally issued East and West badges. Due to its size, the Area had split some time ago into East and West but continued to wear the Nose Hill Area badge. With the new woven badges, the Area has released Nose Hill East and Nose Hill West Area badges. Heritage Trails and Heartland also have released new woven badges. I'm sure the rest are not far behind!

There has not been too much going on in Northern Lights, Saskatchewan or Manitoba Councils.

Cheers!

Maritime Badge Report

Badgers, Don Connors, Dave Winter, Ian MacCalder from Nova Scotia and John Butters, Ralph Williams from New Brunswick made the yearly trek to attend the 37th Annual Denis Charbonneau Montreal Swap Meet and Auction. A good time was enjoyed by all including a lot of trading.

Halifax Area is now extinct and has been reorganized into 3 smaller Areas, Cobequid Lakes Area, Fortress Halifax Area and Chebucto West Area, bringing the number of Areas within the Nova Scotia Council to 12. Cobequid Lakes Area's badge was out and available for trade in Montreal while the other two Area badges are still a work in progress.

The Eastern Area badge from NL is now available.

Nova Scotia Council will be hosting ScotiaJamb '15 next summer from July 11 to July 17, 2015 at Camp Nedooae, the Council's provincial camp in Elderbank, about a 1/2 hour drive from the Stanfield International Airport. For further information, interested participants can go to: www.scotiajamb.ca

Recently, I was asked and have accepted to head up the SJ15 Badger Display portion of this Jamboree. John Butters has agreed to be my 2i/c and I hope to be able to assemble a team of 12 plus myself. At present, I have been able to recruit Badgers, John Butters, John Witham, Serge Janelle, Ed Ermel, Everett Dalmas and Ralph Williams. If there are other Badgers out there planning on attending this Jamboree and interested in working on the Badger Display team, please contact me; davidwinter@ns.sympatico.ca. I'm looking at having 3 teams of 4 people working daily shifts so every team member has a bit of free time off to visit and enjoy other aspects and activities of the Jamboree.

Respectively Submitted,

Dave Winter

DENIS CHARBONNEAU MEMORIAL SWAP MEET & AUCTION.

A great weekend of new friends and old friends, new badges and old badges (my favourite) new foods (ok, another favourite) and old foods. Frank commented on the donations made to the auction. 95% of everything in the auction came from only about 6 members. To keep the auction going in the future, we need everyone's support. This year we raised \$4,192.00 for the World Brotherhood fund. One of our highest years. Great job everyone. Total the club has donated, \$83,532.00. The weekend ended with the traditional meal at Chenoy's for some Montreal smoked meat.

The hall is already booked for April 24th and 25th, 2015 so mark your calendars early.

Thanks to everyone who travelled far and wide to attend this great event. I can't thank Frank and Glen enough for all the hard work that goes into making this auction a success. As time passes, we all get a better knowledge of how much work Denis put into this every year. He sure is missed. Not just in the work he did, but the friendship he provided.

A special thank you to Eric and Louise Turcotte for opening up their home and their lives to us for the better part of a week. Family is the most important thing in anyone's lives whether you are related or not. Thanks to Peter for all the support and help you are always giving us.

And a big left handshake to all those members and non-members that donated items for the auction. Without you, we couldn't do what we do. Don't forget that donations are accepted for the auction all year round.

Many thanks to all of our generous donors:

CONGRATULATIONS!

Our very own Doug Reid, C0919, is Scouts Canada's next National Commissioner!

May 14, 2014

An Important Announcement from Scouts Canada's Board of Governors

Friends in Scouting,

On behalf of the Board of Governors I am pleased to announce the appointment of Doug Reid to the role of National Commissioner, effective immediately.

As National Commissioner, Doug will be a member of the National Key 3 and work closely with the National Youth Commissioner and the Executive Commissioner & CEO to oversee the implementation of Scouts Canada's Strategic Plan.

When searching for a National Commissioner, the Board was looking for a candidate committed to bringing Scouting adventures to more Canadian youth. It was equally important that the successful candidate have a proven track record of working collaboratively and inspiring others to pursue growth and program excellence.

Doug certainly brings both a passion for Scouting and a long-standing focus on great programs to the role. Doug joined Scouts Canada as a Cub Scout in 1971 with First St. Martin's in Gander, Newfoundland and Labrador, a Group he would stay associated with for 26 years. Since 2004, he has been involved with the First Riverlake Group in Nova Scotia and has served as a Scouter with Pack, Troop and Company.

Doug joined the National Leadership Team in 2010 as the Deputy National Commissioner for Program. He has always believed that youth should be the architects of their own program – a program comprised of safe, fun, and challenging adventures. Professionally, Doug has spent the last 15 years working for the Global Group, Canada's largest office furniture manufacturer. He lives in Windsor Junction, Nova Scotia, with his wife, son and daughter.

We recently unveiled the organization's Strategic Plan. Now with the appointment of Doug as our National Commissioner, we have a strong National Key 3 in place, and we are confident that we are poised to fulfill our mission and grow together as One Scouts Canada.

Yours in Scouting,

*J Anderson
Vice Chair, Board of Governors

Badgefest 2013-14 is a four part "Seminar/Swap Meet" being organized in Buffalo Plains Area, Northern Lights Council. The four parts to Badgefest 2013-14 are:

1. What are badges, how are badges made, what is badge collecting?
2. Are there rules for trading? Fair trading, why we trade badges, the rules for fair badge trading.
3. How do I show off my badges? Display techniques, campfire blankets, binders, frames, etc.
4. Where does this badge thing go from here? Jamborees, swap meets, developing and furthering your collection, badge clubs.

For Badgefest 2013-14, there a badge for each seminar/swap meets with its own coloured border. Badgefest #1 is green, #2 is red, #3 is yellow and #4 is blue. We are hopeful that the coloured borders keep Scouts and Scouters coming out to all four Badgefests!

Badgefest #3 was scheduled for Sunday, March 23, 2014 and was a terrific success with 6 Wolf Cubs, Scouts and Scouters in attendance. Badgefest #4 will take place in June at St. Albert United Church, St. Albert, Alberta. For more information please visit us on Facebook: www.facebook.com/badgefest

Fall 2014: Badgefest format will be changing to an all day Swap Meet. **Stay tuned for more details!**
