DEADLINE FOR SUBMISSIONS TO THE
DECEMBER ISSUE:

NOVEMBER 14, 2014

SEND IN ~~YOUR~~ ARTICLES, ADVERTISEMENTS AND LETTERS!

Dear Fellow Badgers,

This issue's cover is of the main gate at Camp Woods, Sylvan Lake, Alberta from August, 1939. It is of the First Alberta Jamboree, which was held August 16 to 23, 1939. I chose to showcase this Jamboree because it was held 75 years ago this past August, at the same site as the 12th Canadian Jamboree was held last year!

The pictures were taken by the Scoutmaster of the 1st Vermilion, Alberta Troop. They attended the Jamboree and these pictures tell their story. The names of those in the pictures have been lost, however the Spirit of Scouting is tough to miss. There are 38 pictures in total which is way too many to print so I have chosen a few of my favourites to put in the magazine. Watch for the Scouts with the Alberta Provincial 1a and 1st Alberta Jamboree badges sewn to their uniforms, as well as the Scouters with the Saskatchewan 1a and the Jamboree badges on their shirts. Is it the 1st Alberta Jamboree or 2nd Saskatchewan Jamboree on the Scouter's shirts? No idea. Both badges had the same design!

On a sombre note, I look at the youth in these pictures and I wonder how many of them were a part of the 1.1 million Canadians who signed up for duty, given that the Second World War would start just two short weeks after these pictures were taken. I also wonder if any of these youth had ties to any Scouts who performed war service just twenty-five years earlier during the First World War; the declaration of which took place 100 years ago this past July.

Since this is the last magazine before Remembrance Day, I wanted to put something in the magazine tying these thoughts together. I struggled for the correct words to reflect my thoughts so I turned to www.veterans.gc.ca and I found this passage on how we remember:

The two minutes of silence provide another significant way of remembering wartime while thinking of peace. Two minutes are scarcely enough time for thought and reflection. As we pause and bow our heads, we remember those brave men and women who courageously volunteered for the cause of freedom and peace.

For those who lived through these wars, remembering means thinking of comrades. It evokes memories of men and women who never returned home. Those born after the wars might picture the youthful soldiers who eagerly joined up from high schools, businesses and farms across the country, only to meet death while fighting against the enemy. They may imagine the anguish of a man leaving a new wife, a young family, an elderly mother. The important thing for all of us to remember is that they fought to preserve a way of life, Canadian values, and the freedom we enjoy today and often take for granted. Remember that the silence is to honour their sacrifice and memory.

Thank You from this Scout to all of you. I will remember them.

Yours in Scouting,
Anthony Palmer, Editor

from the prez!

Hello Fellow Badgers
From the "Prez"...

Some club news for our International and American members. The members of the executive are pleased to announce that for these members who want a completely electronic membership (magazine, membership list and varieties catalogue) the membership rate has been changed to the same as a full Canadian membership which is \$10.00 for 1 year or \$19.00 for two years.

Scouting news. In Manitoba, the Winnipeg Scout Shop has closed in July and all supplies will now be handled by the Regina Scout Shop. I now hear that Montreal (Dorval) has closed in favour of Ottawa and Lethbridge, probably now in favour of Calgary, is closing in November.

By now you will have received your copy of the June 2014 7th Edition VARIETIES CATALOGUE and I want to thank Gordon and Anthony for all the time and effort that they have put into producing such a fine product.

As we are approaching our 40th anniversary, a badge would be in order. Four designs have been submitted but more ideas are welcome.

We badgers love trading at jamborees! Japan world jamboree is an upcoming event but much closer for Canadian Badgers are Nova Scotia July 2015 and B.C./Yukon July 2015. Linda Aug and I attended a planning meeting at Camp Barnard near Victoria, site of PJ15 and badging is to be one of the free time activities and great trading is expected. You can't be in two places at once next July but the Prez has attended both B.C. and Nova Scotia at times in the past and you do not miss one or the other!

In Scouting,

Frank D. Smith

Prairie Badge Report

Dear Fellow Badgers,

The news is exciting across the Prairies this time with the Winnipeg, MB and Regina, SK offices merging in Regina. The possibility exists that Regina will be the Scout Shop for all of the Area badges from those two fine Councils. From Chinook Council, the Lethbridge, Alberta Scout Shop will be closing this fall.

Also in Saskatchewan, the Regina Shop is out of Woody Hills Area badges and there are no plans to make any more. The only functioning group in the entire 27,879 km² Woody Hills Area is 1st Westminster near Humboldt, Saskatchewan. There is talk of ending Woody Hills Area and putting the 1st Westminster group with another Area, possibly Prairie Heartland Area.

The Regina Scout Shop will be issuing woven badges for the other Saskatchewan Areas as the embroidered badges sell out. A design for a woven North Saskatchewan Rivers Area badge (the embroidered badge has sold out) has been created and the Regina Scout Shop is waiting for Area approval to proceed with a brand new woven badge!

Nova Scotia Council will be hosting ScotiaJamb '15 next summer from July 11 to July 17, 2015 at Camp Nedooae, the Council's provincial camp in Elderbank, about a 1/2 hour drive from the Stanfield International Airport. For further information, interested participants can go to: <http://www.scotiajamb.ca>

I am heading head up the SJ15 Badger Display portion of this Jamboree with John Butters as my second-in-command and we hope to be able to assemble a team of 12 plus myself. I'm looking at having 3 teams of 4 people working daily shifts so every team member has a bit of free time off to visit and enjoy other aspects and activities of the Jamboree. To date, I have been able to recruit the following Badgers: John Butters, John Witham, Serge Janelle, Ed Ermel, Everett Dalmas, Ralph Williams, Dave Rogers, Aram Joukadjian and Chris Green. If there are other Badgers out there planning on attending this Jamboree and interested in working on the Badger Display team, there are still a couple of vacancies left. Please contact me via e-mail at davidwinter@ns.sympatico.ca.

The following six team members have already registered using the SJ15 OOS Form: Dave Winter, Ed Ermel, Dave Rogers, John Butters, John Witham and Everett Dalmas. The OOS Form is available on the SJ15 Website listed in the first paragraph.

BC Yukon Badge Report

Well here it is September already and the start of another Scouting Year. As far as the B.C and Yukon there is nothing new and exciting. Though I have heard rumours of a couple of Areas looking to change designs. Rumour only! Nothing on the drawing Boards yet.

I would like to take this opportunity to thank everyone in the Badgers Club that sent best wishes, cards and emails to my wife and I while I was in hospital. They was greatly appreciated and helped while I was confined for the two months. I am well on the way to full recovery, though it will take sometime before I am there.

As always if you are looking to make some trades, drop me an email. I have lots of B.C. badges to swap.

A look into The Chronicle Herald's vast collection of historic and archival photos from around the province.

Ready for jamboree

Scout Jack Tattrie, centre, who would be attending the World Scout Jamboree in Greece in July 1963, was shown in The Mail-Star on Feb. 27, 1963 with Scoutmaster L.W. Collins, left, and his father W.E. Tattrie at the first father-and-son banquet of the 14th Halifax Boy Scout Troop held at St. Mark's Hall.

Found in the June 3, 2014 issue of Nova Scotia's The Chronicle Herald from Dave Winter, by way of John Butters. The image, from 1963, shows one of the "Red N's" from Halifax North District on Queen Scout Jack Tattrie's right shoulder. Now, as fantastic as this picture is, if there was a picture of one of the very elusive "Blue S's" from Halifax South District, then that would be very exciting! Thanks for the picture gentlemen! -editor.

WHO'S GONNA JAMBOREE NEXT SUMMER?

Pitt Meadows Day 2014 - City of Pitt Meadows Centennial

This last Saturday (June 7, 2014) was 'Pitt Meadows Day', held each first Saturday in June, with the celebrations including a parade every year.

This year, it is the city of Pitt Meadows' 100th - our centennial, so Pitt Meadows Group designed a special crest for distribution to all Scouts & Guides in our area as well as to the Mayor and council, and the BC Lt. Governor, Her Honour Judith Guichon, pictured here. Her Honour had been invited to the 100th, and was most appreciative and gracious when speaking with both myself and the youth.

Abby Doucette, the girl in foreground, is a Beaver with 1st Laityview Group, (and daughter of the photog, Kate Doucette) and Kyle Genereaux, is a Cub with 1st Pitt Meadows Group. I'd additionally like to thank 1PMG Scouters Sylvia Shang & Trevor Helm, for organizing - & 1LVG Scouters Jose Viveiros, Denise Chandler, Mark Didicher, & Jeff, TRAC Christi Goncalves, DAC Phil Goncalves, & DAC Bruce Wilson for marching with us!

And of course - our fabulous Scouting youth in all sections!

Also present was Yolanda Weinberger - 'ex-Raksha' with PM Pack, visiting from Surrey, Gord Ennis, BC Guildmaster of the Canadian Fellowship of Baden-Powell Guild, and Sandy Kowalski - past scouter in Pitt Meadows who put in almost 20 years of service from Beavers section thru to Council Service team!

As this year's parade had a heritage theme, you may notice we had many scouters wearing older vintage uniforms, (witness the Stetson on my head, and the socks with garters), as well as the group flying heritage flags, some of which are 80 years old.

The campfire blanket I am wearing is at least 40 years old, and was donated to 1st PM by Gord Heibein, who had been a Scout Master in Pitt Meadows, retiring in about 1982. We use the 'Gord blanket' as it is now called, for special occasions - investiture ceremonies in the group, camp openings and closings, etc. In this case - the parade. Occasionally, we add important crests to this blanket as an historical repository - the Centennial crest will be one.

Many forget I think, that Scouting and Guiding is not another 'sports team', or local youth organization. Created by parliamentary charter, our purpose is vastly different - service to others, the community, one's family, then to one's self - all the while building leadership skills. We need to remind people of this.

Pitt Meadows Scouts - as were other groups in the lower mainland - were present and active in our community during wars - organizing paper, metal, and other needed material drives - and were actively involved in quite literally saving the community with diking and sand-bagging efforts, during the great flood in 1948.

We take our service to Pitt Meadows very seriously, actively promoting our fair City every chance we get! It was a fun day, and will be well-remembered! Thanks to all who attended - hope to see you next year!

100th Anniversary

Congratulations to Rheal Duchesne for being awarded the prestigious Paul McNicoll medal!

In the photo above from the left are; Jean-Guy Cayoutte District Commissioner, Rheal Duchesne receiving the Paul McNicoll medal and certificate, National ASC Commissioner Guy D'Août

On May 24, 2014 Rheal Duchesne received the highly regarded Paul McNicoll medal for exceptional services rendered at the Group, District and Provincial levels. This medal is the highest award a Scouter can receive from the Ontario Federation and the District des Trois-Rives.

Paul McNicoll was a young scout back in 1918 when the first French-Canadian Scout troop was formed in Ottawa and affiliated with the Canadian Boy Scouts Council. As a young Scouter he participated at the 3rd World Jamboree in 1929, where he finally met his idol, Baden-Powell. He was the first and only French-speaking Canadian scout present. He later became Scout Commissioner for the Diocese of Ottawa.

Throughout his scouting career Paul rallied for an equal partnership for the French-speaking scouts at an equal level to that of the Boy Scouts. He was one of the founding fathers of the Franco-Canadian speaking scouts and finally after numerous meeting with the Boy Scouts Council, his hard work paid off and they were accepted as equals with the Federation des Scouts Catholiques de la Province de Quebec in 1948. He didn't stop there as he continued his work for the francophone scouts at all levels. Through his hard work and dedication we are now known as the Association des Scouts du Canada.

After his passing, the Ottawa District along with the Ontario Federation decided to honor his memory with the Paul McNicoll award. It was first introduced in 1985 in the form of a plaque and given out the first time in 1986, again in 1987 and in 1991 this award was changed to a medal. In its twenty nine year history, Rheal is only the 5th recipient to be awarded this medal by the Ontario Federation and the District des Trois-Rives.

July 31, 1909: Edmonton gets first boy scout troop on the prairies

BY CHRIS ZDEB, EDMONTON JOURNAL JULY 31, 2014

Robert Baden-Powell, founder of the Scouting Movement inspects Boy Scout troops in Edmonton circa 1910.

Photograph by: Provincial Archives of Alberta, A3266

A 10-day camp-out in St. Albert by Archdeacon H.A. Gray's All Saints Boys' Brigade inspired the organization of Edmonton's first "squad" of Baden-Powell Boy Scouts.

Robert Baden-Powell was a major-general in the British Army who founded the Scouting Movement and was first chief scout of the Boy Scouts Association.

The movement initially focused on the union of boys in companies and their training for active warfare in the line of scouting, including practice in camp life, marching, signalling and drills.

By this time, in Great Britain, 25,000 boy scouts belonged to its various branches.

Edmonton organizers believed their group would be the only squad in Western Canada outside of a group recently organized in Vancouver.

The local group expected to be up and running in a few days, the Journal story said, but it

actually took a little longer than that, says John Witham, a member of the Northern Lights Council of Scouts Canada, and a member of the northern Alberta scouting movement's heritage committee.

One of the officers of the Boys' Brigade sent a letter that October to scout headquarters asking for literature and information to help them organize, and the squad was up and running finally in early 1910.

Both the Boys' Brigade and Boy Scouts, as well as the YMCA, sprung up as families began moving from farms to cities, raising a concern that they were no longer learning patriotism and healthy outdoor activities. Such groups, targeted at boys 12 to 18 years of age, often had a strong religious connection.

By the time Baden-Powell visited Edmonton on Aug. 21, 1910, the city had several scout troops. According to the Journal story, more than 100 "citizen soldiers in embryo" including the All-Saints company and a Strathcona troop, lined up in the school room of All Saints' Church where they were reviewed by the chief scout.

The hero of Mafeking, South Africa (the most famous British action in the Second Boer War between October 1899 and May 1900), commended the boys for their work in preparing for the defence of their country and praised the movement's many virtues

"You scouts belong to a very big brotherhood now. Not only Canada, but all over the empire the movement is spreading, and will lead to the making of good citizens, and brave men worthy of the traditions of our race," Baden-Powell told them.

Over time, the scouting movement evolved away from its military leanings, and concentrated on promoting character, outdoor activities, good citizenship and service to others.

It attracted the largest numbers of boys — and girls to the parallel Girl Guides Movement — in the 1960s and early 1970s as Baby Boomers reached the target age.

In 1998, scouting was opened up to girls, who make up almost a third of the 5,000 Edmonton youth who currently belong to 47 active groups.

The 6th Edmonton (1st Strathcona) Scouts, based out of Holy Trinity Anglican Church, formed in 1911 and is one of the longest continuous boy scout troops in the country, says Witham. All the other Edmonton troops have closed down at one point and restarted.

Baden-Powell retired from public scouting life in 1937 and lived out his days in Kenya where he died in 1941 at the age of 83.

This will be a day long event; starting at 9:30 AM (Doors open 9:00) and running until 4 PM on **Saturday the 4th of October 2014**. Lunch (soup & sandwiches) will be available around Noon (Donation); along with Coffee or Tea. Canned Pop or Bottled Water (\$1.00) will be available throughout the day. Admission is one badge per person plus one badge for a table. Badges collected from these 2 charges will become part of the door prize draws.

All proceeds from this event will go toward our “Youth Assistance & Camp Fund”. (Cash or cheques only please! Sorry No Debit or Credit cards.) Any and all donations towards this event will be greatly appreciated.

How do I find the Wooler Scout Hall?

Take Exit 522 off the 401 and go North on the Wooler Road (County Road 40) for 8.3 KM. At the south end of the village you will pass Fast Freddy’s Free Flow Gas Bar. Continue north through the village up the hill to the DNA Auto where the road makes a 90 degree turn to the right (East). The Scout Hall will be on the left (North side) about half way to the next corner. The street address is at 62 County Road 5. The Scout Hall is a large 2 story red and grey building next to the road. If you reach the Catholic Church on the next corner you have went too far. Hope to see you at the Swap.
