From the Editor...

Good day everyone. It has been a very busy summer with PJ and WJ happening within days of each other. The very defining moment was the change in the weather between the two venues. PJ was mild and WJ was WILD!! The first week I was at WJ, helping to set up the IST dining facility, it was in the 90's with 90% humidity. I really didn't think I was going to make it through. Luckily, the second week dropped into the 80's and then into the high 70's for a very welcome change. The humidity just never went down. The badge trading was hot n heavy throughout the WJ site and I was part of that frenzy a few times in the IST area.

Take some time to look up the Opening Ceremony on youtube. Bear Grylls, former Chief Scout for the UK and first ever Chief Ambassador to World Scouting, rappelled down from the top of the stage. Check out the drone show too. Amazing.

The Canadian Badgers Club Display Report PJ19

From the perspective of the team at the Badgers Club, the jamboree was a total success. Badge trading is a continually growing aspect of all jamborees and trading started long before opening ceremonies and continued long after closing ceremonies. While the Badgers Club area was open from 9 am to 9 pm during camp, I think a pre-youth arrival opening after lunch on the Friday would be appreciated by most OOS. I had anticipated that trading was going to be continuous and I increased the number on my team to a total of seven. For 2023 I think that I will increase it to eight. Due to the sheer numbers we needed help to control the numbers of badge traders, answer the questions, offer opinions on badge traders and generally “watch” the trading areas. After the evening meal free time was the busiest, with almost all of open space in the Gathering Area taken up with it. Badge trading in the evenings was described to me as “good crazy”. We did have a couple of very minor security problems, solved very quickly by the head of security. I wish to thank the security staff for a regular walk through our area and of course at 8:30 to move along all members back to sub camps. The jamboree badges theme and shape was extremely popular, by youth and adults alike, they were accepted as the “32 official” badges. Many 100’s of other areas, contingent’s, groups and activities joined in to this theme and shape and were very desirable. My suggestion would be to use this same great shape next jamboree but make them a little smaller.

The Badgers Club main activities were the badge display boards and the Badgers Club membership drive. Each new member received the trading bylaws and a baggie of badges to aid in their trading. We also ran a badge donation board. For a \$1.00 donation and a badge for the board, **(picture on magazine cover)** each participant had the hope of winning all the badges. The \$1.00 entry netted \$670.00 for The World Brotherhood Fund. The badges filled two 4 x 8 sheets of plywood. Camp chief Bill made the draw and the lucky winner was a very happy Claire Forester from 23rd Brandon Manitoba.

Huge thanks must go to Richard Druce, in charge of The Gathering Place for all his time, energy, effort, knowledge, and hard work which made our experience at jamboree so wonderful. Richard has been working on this jamboree almost from the end of PJ15 right through until we left on Saturday morning after closing. There was no detail too small or unimportant that Richard was not on top of, solving any problem and answering to any question.

On the subject of QM requisitions, I had asked for three of the C.A.F. sections plus a front and rear or two of the Canadian Tire portable garage units along with twelve picnic type tables, two plastic folding tables as well as seven folding chairs, a string of lights, a garbage can and one sheet of 4 x 8 plywood. All of these items were satisfactorily supplied by QM and I know that for jamboree 2023, the same list will be needed as well as some durable plastic table covers. I realize that the requisition process and the anticipated demand is a very important aspect of the planning but I felt the online process of visiting the commercial sites and choosing from their stock, such as with the picnic tables, of no value as most of the requested items are supplied by other sources, such as Corrections Canada.

Three other areas which should be recognized. Moving registration from up the hill down to the entry traffic loop worked so well. Site Services, what a great team, helpful at all times and when called upon, delivered fast and efficient service.

OOS Food Dudes can only be described as fantastic. Variety of dinners, selection of salads, breads, dressings and desserts, size of helpings, choice of liquids, just wonderful. Many things that have changed from other jamborees; no door checker, clean your own tray, self-serve drinks open to late all great ideas. With the serving staff and cleaning staff truly helpful and pleasant, it generated a good feeling to come to meal times.

I am looking forward to Byng in '23.

Badger Gord's

Badge Chatter

Greetings from the cataloguer! This issue I have also heard from several badgers about new or old issues including Mike Assef, George Cartwright, Captain Dave Rogers and Steve Kavanagh, my apologies to those not personally mentioned here.

This summer I was privileged to be part of the Pacific Jamboree Badger's Team. There was lots of enthusiastic trading by scouts and others at the jamboree. Very exciting. Even more exciting were the scores of new members we signed up for the club. Contingent badges were king but if you were persistent you got to see area and district badges and other items too. You will see the listings for the BC Jamboree as well as the Newfoundland Labrador Jamboree, held this summer, elsewhere in the magazine. I know several members attended the World Jamboree this summer as well but will leave it to others to discuss that event.

Yes, there is only one main badge and four subcamps listed for Pacific Jamboree. This said, the big hunt at PJ was for the semi-official set of 32 subcamp and activity badges all in a hexagon or half hexagon shape. A very popular activity. I show the set below but don't get your hopes up on getting them all. It is pretty much impossible as some of the activity badges only had a small number of badges produced.

In this issue the sole new Area badge is Grand River from Ontario. It results from the merger of North and South Waterloo. I hear, unofficially, that it may be the last Canadian Area badge! There has been talk in my

local Council that Areas may cease to exist. I have heard it elsewhere at the Pacific Jamboree. None of this is official and a quick search on the internet has not turned up anything so maybe it will not happen. Wait and see, I guess.

There were some new finds this issue all thanks to eagle eye (even if he had to squint) George Cartwright. The following images of Langley are shown of the L1E badge (two on the left) and the L1F to reinforce the text in the Badge Listing section of this magazine re the differences.

The next image shows the Saskatchewan S6 newly separated A and B badges. Some (not all) of the B variety have what looks like a poorly cut out rounded edge (this is why I selected this badge as it shows the odd edge).

The listing show the listed NL Jamb badge. There was also a near identical one in pieces the attendees could collect and also a ghost badge. I don't have these but I do show below a contingent which did come my way!

Before I close, I need to show one oddity that is now in my collection. It is an unlisted BC Moody Ioco badge. But this one is felt. (The image is a bit stained owing to glue that was on the back – alas.) Still it is an interesting find which I don't know what to make of at this point in time.

I thank all who bring new badges to my attention. Keep it up! Please contact me with your finds or answers to questions at: ennisgl@telus.net.

I want to once again thank the Club's Regional Reps; Bill Thow, Michael Diegel, Chris Wootton, Steve Kavanagh, Robert Schmitt, Don Connors and Rheel Duchesne.

Hi my name is Kaylan Looby. I'm a cub in the 2nd Smiths Falls group, (Valley Highlands Area, Voyageur Council).

I like to collect year flashes. So far **I have**: 82-83, 88-89, 2000, 03-04, 04-05, 05-06, 06-07, 2007, 08-09, 10-11.

I also collect Scoutrees badges. **I have** 1998, 2002, 2008, 2012, 2016, 2017.

Finally, I am also trying to collect two sets of the National Capital White chevron areas from Ontario. **I need** Carleton C12c, National Capital N13d, Odawa O9c, and Rideau 7c.

If you can help me fill in my collection and would like to make a trade, please email my mom, Colleen Looby (club member C1185) at colleen.looby@ocdsb.ca

I would also like to trade with other kids - my group badge (2nd Smiths Falls) for your group badge.

Thanks!
Kaylan

National Capital Region Crest and Area Chevrons – Badge Histories

I was given this numbered collector's edition poster several years ago by a family member who, I believe, bought it from a Camp Opemikon fundraiser auction. The only clue to its provenance is the inscription on the bottom right corner of the poster:

“This limited collector’s edition poster signifies support of Scouts Canada’s world development projects.

All funds raised through the purchase of this poster go towards assisting youth in developing countries”

I do not know who actually produced the poster or who originally wrote the badge histories. However, I think in the spirit of badge-lore, that it would be ok to share them here.

Colleen Looby
C1185

National Capital Region:

“The distinctive Parliament Building topped by the Canadian flag represents our location in the nation’s capital. Flowing through green parks and rural areas that abound, the historic Ottawa River and Rideau Canal link National Capital Region to surrounding regions and countryside. The bridge crossing the river joins together Quebec and Ontario into one region. The diamond shape represents the four compass points that chart a Scout’s course through life. Six coloured rays symbolize the five program sections and the leadership team. Together they create the seven Areas within the Region. Finally, the Scout Emblem shown boldly in the foreground stands for the pride every member shows in being part of the World Scout Movement.”

Odawa

“Odawa Area is named after the Odawa Nation. In the past they traded along the Ottawa River, through the Great Lakes and down the Mississippi River. In more recent times the Odawa Nation joined with the Ojibwa and the Potawatami Nations to become the council of Three Fires. The Potawatami are the pipe carriers, the Ojibwa are the keepers of the drum, and the Odawa are the keepers of the fire. Thus, the Odawa chevron reflects the past, our present and our future. The past is depicted by the canoe and river, the present is shown by the fire and our future in Scouts Canada.”

Rideau

“The area is named after the historic Rideau River and Canal which flows the length of the Area from north to south and provides an exciting opportunity for many Scouting activities. This new badge reflects the river, canal and the land between and beyond. The area is blessed with an abundance of forests so the sun that sustains life, shines in the corner of the crest.”

Greenwood

“Comprised of parts of the cities of Gloucester, Vanier and Ottawa and surrounded by a belt of undeveloped parkland, this crest illustrates the importance of blending urban areas into the surrounding environment without disturbing the balance of nature. Greenwood is able to offer urban groups the “out” in Scouting in their own backyard.”

Western

“The trees on the crest are shaped to form a “W” for Western Area, with the sun setting in the west over the forest. Surrounded by trees, the Scouting movement in Western Area takes full advantage of the natural beauty to provide exciting outdoor programs.”

Chaudiere

“Chaudiere has the distinction of Scouting in two provinces as well as French and English. The fleur-de-lis on the crest symbolizes Quebec while Ontario is represented by the provincial flower, the trillium.”

Carleton

“The symbol centred in the right-hand triangle can be described as a crown over a plow within a shield. This is a pictorial representation of Carleton County Legal Seal and represents both history of the county and is a link with Scouting’s past in the area. Carleton Area’s previous badge, first designed in mid 1980’s, provides the colours and image for this new chevron.”

Park Vale

“The water across the top of the crest symbolizes the Ottawa River which connects to the Rideau Rive flowing down the side. These two waterways mark the natural northern and eastern boundaries of the area. The totem pole located at the National and Regional Scouts Canada office is located within Park-Vale and recognized locally as a regional landmark. The Beaver and Cub salutes represent their respective sections while the scout salute is indicative of Scouts, Venturers and Rovers along with the adults who provide and support the program. Reflective of the many ethno-cultural communities within Park-Vale Area each saluting hand is shaded differently.”

In total there were 32 semi-formal jamboree badges all in a hexagon or half hexagon shape consisting of the subcamp badges, a "double hexagon" badge that formed the bottom for the main badge and subcamp badges. There was also a ghost set of all those badges. In addition there were OOS subcamp badges for Olympus, Saga and Valley of the Kings (a half hexagon in this case). There were also activity badges for this set consisting of The Canadian Badgers Club, Food Dudes, Emergency Services, Camp Chiefs, Site Services, Caution Bears, Ham Radio Operator, Visitor Services, Narnia Fun Zone, Sherwood Archery, Team Mercury-Public Relations, Adventure, Legacy Project, Juan de Fuca Trail, Transport, QM Cave of Wonders, Smaylilh Mt. Bluff, Mare Nostrum Kayaking, I saw the Sasquatch Special Events, Admin, Cub Day and Special Operations. All of these 32 badges could form a hexagon pattern.

There was also a Jamboree necker (light brown with dark brown edge on which was a stencilled participant badge). There was also a jamboree geocache coin, woggle, pins and walking stick pin available at the jamboree store. All participants received the participant badge and their own subcamp badge but could purchase others at the jamboree store. Additional jamboree activity badges and contingent badges and coins were available for trade.

The Canadian Badger's Club Membership Application

The fine print...

Memberships in the Canadian Badger's Club are valid from January 1 to December 31. Membership applications received after October 31 will apply to the following year.

Each membership entitles the member to receive The Canadian Badger, the official magazine of The Canadian Badger's Club. The Canadian Badger is issued every March, June, September and December. A renewed membership will receive the next upcoming edition of The Canadian Badger determined by the date of renewal.

A new member will receive a copy of the Canadian Badger's Club Code of Ethics, as well as a copy of the current Canadian Badger's Club Bylaws.

Previous printed magazines can be purchased at a price determined by the cost of production and postage and only if spare copies of the magazine are available. Previous editions of The Canadian Badger can be found in the magazine archive at the club website, www.canadianbadgersclub.com.

The Canadian Badger's Club Varieties Catalogue is available in Portable Document Format (.pdf) to all new members free of charge. The Canadian Badger's Club Membership Directory is available in Portable Document Format (.pdf) to all new members free of charge.

Printed copies of The Canadian Badger's Club Varieties Catalogue are available for purchase at a price determined by the cost of production and postage.

Please read the following carefully, and sign and date.

I declare that I have not at any time denied a Vulnerable Sector Search to be completed and/or a Police Record Check to be completed.

I agree to the rules laid out by the Club in the Bylaws and Code of Ethics and do not have any objections to my details being stored on the Club's Computer Systems.

I also declare that I am able to or have completed all the necessary requirements within Scouts Canada's (or my local Scouting Association's) Volunteer Screening Policy, including, but not limited to, the Vulnerable Sector Search and/or Police Record Check.

I understand that verification of details can be sought at any point during my membership.
