DEADLINE FOR SUBMISSIONS TO THE

SEPT. 2020 ISSUE:

Aug. 21, 2020

From the Editor...

Since the last issue, we have seen a complete change in the lifestyle of the world. Covid-19 has taken centre stage as seen by our cover picture. A little mouse shaking his fist at a covid cell. No camps, no meetings, no swap meets..... Even the 43rd DSMSM&A was cancelled. At least we were able to run the floor auction via email bidding.

F.Y.I., anyone that I have given my business card to in the past, I became aware that they were not printed accurately. The first batch from CJ13 are good but the ruler on the next 2 are 2mm longer. See picture in wants and swaps section.

Longtime member Bill Thow lost his battle with poor health. I never met Bill but knew him by reputation. Our loss.

William (Bill) Thow

Scouter and Badger Extraordinaire.

Born: July 29, 1954 Gone Home: May 8, 2020

“Scouting was a Thow family passion- wife Barb was a Cub Scouter, daughter Lisa a Venturer and Scouter and Andrew all sections of the program and Scouter as well. Bill was an active Scouter- Scout Counsellor as well as a Venturer Advisor. He has helped form the character of many youth.” – Chris Stephens, Long Time Colleague

“Bill was a fountain of outdoor knowledge and a pleasure to talk to. He thought more about others than himself.” – Bill Shulte, Colleague

“He continuously demonstrated his dedication to the concept that we, as Scouters, were there to provide guidance the Venturers and provide suggestions and support for the Venturers to succeed. That was in 1999 and Bill was supporting the concept of "Youth Led" well before it became one of the four elements of the Canadian Path. He was a model leader, a great supporter of youth and he believed in Scouting.” – Grant Loyer, Member Board of Governors

“I will always remember him for his strength, kindness, belief in humanity and the power of young people, and his willingness to give of himself no matter the personal cost.” – Melissa Bond, Colleague

“Bill, even legally blind was a shrewd trader and over the years has created an incredible collection that expands from what I am told that goes far beyond badges alone. Bill, with his magnifying glass was able to pick up the smallest details of differences and subtleties between badges even to the millimetre... we will miss you at the trading tables my friend!” – Kim Lanyon, Colleague/fellow badger

Badge Chatter

Greetings from the cataloguer! This issue I have heard from Mike Assef, John Pickering and Frank Smith. My apologies if I missed anyone.

At the start of this article I want to acknowledge the contributions the late Bill Thow has made to the club. I know he is being talked about elsewhere in this issue but he was the British Columbia rep for many years and as such a valued member of my team. But I knew him long before that. I remember him at jamborees in the 1990's and onwards. Also, we met many times at swap meets at the late John Ochitwa hosted BC meets and later at other venues in BC. I have also visited him and Barbara at their home at Shawnigan Lake. Bill was a gentleman, a dedicated badger and a man who would not give up the hobby despite lots of health challenges thrown his way over the years. I miss you Bill but know that you are now busy swapping badges and stories with John, Denis Charbonneau, Bill Neil and others who have also gone home.

This issue is short on new issues; there are none! It looks like Areas have ended but I am not entirely clear if that is country wide as I have not seen an announcement from National. I do know that Fraser Valley Council and Pacific Coast Council are entirely a Group Support Model now and that areas are officially gone. From what I have seen the same is true with Voyageur Council. Sad times for scout badge collectors.

But this issue is a very busy one as we have tackled the issue of Canadian Jamboree Sub Camps. Frank Smith took on this project and I thank him for the initiative. As many will have noted CJ Sub Camps are listed from 2007 onwards. Starting with that jamboree sub camp badge were made available for all attendees of that sub camp and others were available to trade and in some years purchase. Prior to 2007 the approach was much different and seemed to be a sub camp organized endeavor. Some sub camps had sub camp badges and some did not. Some had award badges and special sub camp event badges. But following what is done by some other clubs we have decided to list the sub camp badges that existed. These include sub camp badges for 1977, 1981, 1985, 1989, 1993, 1997 and 2001. As far as we can tell there were no subcamp badges for CJ 1949, 1953 and 1961. At the same time we added the staff badge for 1981 to the listings.

Further, the lists we have are not lists of all sub camps in any particular year but only of the sub camps that had produced sub camp badges. In those earlier years sub camp badges were made available to the sub camp members, sometimes on a first come first served basis as memory serves. At other times sub camp badges were made aplenty and could be purchased by members of other sub camps or failing that sub camp members could purchase more than one and trade. So earlier days were a bit of a mishmash. But in my view sub camps are an important jamboree badge, no matter how they came about. So, we have indeed gone back and listed Canadian Jamboree sub camps from earlier years. We will also have to change the introduction to our Varieties Catalogue which currently says sub-camps were issued by either the jamboree or subcamp. We need to change this to "made available by either the jamboree or sub camp" – the key change here being "made available" rather than "issued" since in the earlier years not all were formally issued as it was usually up to participants to get them. Like everything in the Varieties Catalogue it is a guide to Canadian collectors and it is your decision whether or not to collect Canadian Jamboree sub camps. If you do decide to collect them I am sure you will find this addition to the catalogue, including the star ratings, useful.

There were a couple of new finds this issue. The Quebec provincial one is interesting and now that several have turned up we have decided to list it. The Victoria Trail badge from Alberta is also interesting in that what turned up is more consistent with the Alberta flag which is a component of the badge. The following image shows all the Victoria Trail badges so the difference is more obvious. As described the yellow at the bottom of the inset Alberta flag (it's a wheat field by the way) is vertical in the new find which we are calling C and bumping the current C to D as that has a horizontal yellow wheat field! The new C is very much like the A and B issues in so far as the flag inset goes.

I usually show a few interesting sub-varieties. This time I thought in honour of the work Frank did on sub camps that I would show some of the badges produced by sub camps who either did or did not have an actual sub camp badge for their participants. To see even more examples I recommend Curtis Moffat's excellent website: <https://www.canadianjamboreebadges.info/home.htm>

The Sub Camp Nanook Challenge badge was also issued in 1977, 1985 and 1989.

I thank all who bring new badges or badge questions to my attention. Keep it up! Please contact me with your finds or answers to questions at: ennisgl@telus.net.

I want to once again thank the Club's Regional Reps; Michael Diegel, Chris Wootton, Steve Kavanagh, Robert Schmitt, Don Connors, Rheel Duchesne and Frank Smith and Linda Aug.
