*From the Editor...*

I am very pleased with the success of the Denis Charbonneau Memorial Swap Meet and Auction for 2023. A donation has been made from The Canadian Badgers Memorabilia Club to Scouts Canada "No One Left Behind" fund in the amount of \$4706.10. I wish to thank everyone for their continued support for this fine event.

I would like to take this chance on congratulating Frank Smith on his presentation of a lifetime membership. Thank you from all of us Frank.

## Canadian Badgers Club

### Girl Guide Badge Catalogue

After years of work, we have now completed the update of the Guide Badge Catalogue that was originally prepared by John Witham back in 2012. John transferred the files to me in 2018. Since that time, more information tracked down and researched. Thanks to Kim Lanyon, Debbie Wright and others for their help and resources.

As the Girl Guides do not wear district/area/community designations on uniforms, we have restricted the listings to those crests issued by district/area/community/province/national that are related to their geographic locations and Guiding anniversaries only. Events, camps, campsites non-guiding anniversaries (such as for the town/city/province) have not been included. We're happy to debate this, but the line has to be drawn somewhere!

In this 2023 version, the provincial lists have been downloaded onto the Club website as PDF files in Acrobat. They can be accessed from the main home page after the member signs in. If you have trouble getting there, please contact Webmaster Steve Kavanaugh for clarification.

The national list is still the original from John Witham's catalogue and will be updated as well. Listings will be updated with photo scans as we proceed with the development of the information. We will be getting in touch with the Guides Canada to provide links to their proficiency badge archives.

As always, we are happy to accept new information and are looking for provincial representatives to help us with further updates, in a similar way to how we update the scout badge catalogue. If you'd like to help with this project, please contact me at [lindaaug@shaw.ca](mailto:lindaaug@shaw.ca) to provide further information about missed issues, scans of unknown crests or their varieties and any new material you may come across.

Happy Collecting,

Linda Aug C1149

## **Badger Gord's**

## **Badge Chatter**

Greetings from the cataloguer! This issue I have heard from Rheal Duchesne, Peeter Tammark and Linda Aug regarding new finds. Michael Diegel has also made contributions re the Traditional Scouting operations active in Canada (which I find very confusing!). As a special announcement I am pleased to say that Michael has agreed to be the Traditional Scouting Rep, in addition to his Prairie duties, for the club. I am sure we will make progress in updating the listings for the various Traditional Scouting organisations active in Canada. Thanks Michael.

I wanted to make sure the listings are completely clear by showing a few more pictures of both and emphasising some of the differences between the A and B issues in both cases.

Humboldt in Saskatchewan has an issue with a silver goose; if you take a good look at the threads it is very obvious. What follows is a picture of the A and B and one of the B emphasising the silver.

The White Goose Humboldt A is above the Silver Goose Humboldt B is below. The picture to the right shows the silver in the Humboldt more clearly.

The other listing is the ASC Secteur Ottawa badge (ASC O.10). The picture below shows the A and B issue for comparison

ASC O.10.A on the top and ASC O.10.B below.

There were a number of badges examined where a decision was made not to list but to instead alter the listing to indicate a size range for the badges. These were ASC: Iles De La Madeleine (I1D) different heights; Clare different heights; Rive-Sud-Beauce different lengths and Iles De La Madeleine (I1C) different widths. You will see these small changes in the next edition of the catalogue.

Linda Aug alerted me to a National 19/1A – like item. It is pretty much identical in look to the Deep Sea Badge but in this case embroidered directly onto a scarf. We only list actual badges so it will not be listed but we will put a note in the Catalogue. And now those that like to hunt for things know what to look for!

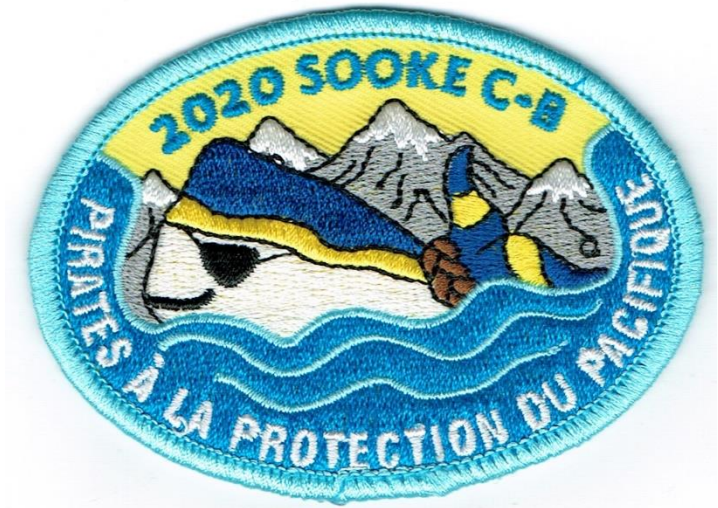

Note, picture reduced in size.

Glen Wright, the IBC Badger, continues to amaze me. In Montreal at the swap meet I picked up an early Lakeshore District (Ont L.4) scarf with an interesting badge on it. I am unsure of what it represents; perhaps a new find A issue, perhaps a service team badge perhaps something else. Please, does anyone know? Thanks.

And one next to final item. An ASC badge for a jamboree in the Pacific area that was cancelled because of the pandemic. It of course will not be listed but thank you Rheal for the badge.

This past little while was very special for me. I finally got to meet old friends as I attended my first swap meets since the pandemic. At the Denis Charbonneau Memorial Swap Meet and Auction I met old (and younger) friends across Canada and did some fine badge deals. At the BC Swap Meet held in early May again a great chance to meet friends and again do some swapping and such. And I need to show an interesting Beret from the 1947 World Jamboree in France. No Canadian badges but lots of others including on the inside of the beret! Thanks Kim Lanyon for parting with this.

I thank all who bring new badges or badge questions to my attention. Keep it up! Please contact me with your finds or answers to questions at: [ennisgl@telus.net](mailto:ennisgl@telus.net).

I want to thank once again the Club's Regional Reps; Michael Diegel, Chris Wootton, Steve Kavanagh, Robert Schmitt, Don Connors, Rheal Duchesne and Frank Smith.
